

2023 WEEK #2 FOOTBALL POINTS OF CONSIDERATION

REMINDER: Make sure players and coaches are staying inside the team box, which runs from the 25-yard line to the 25-yard line. (NFHS Rule 1-2-3g)
(No exceptions)

REMINDER: Schools need to update scores on the KSHSAA database after each game. I recommend the home team do this. At least 30% have not been updated from this past week's games.

REMINDER: Penalty enforcement for any dead ball, nonplayer or unsportsmanlike foul is from the succeeding spot unless the foul occurs on a scoring play and the scoring team chooses enforcement on the kickoff per rule.
(NFHS Rule 8-2-2, 8-2-3, 8-2-4 or 8-2-5)

SITUATION: What constitutes noncontact unsportsmanlike conduct by nonplayers? Please take time to read over these before this week's games. (NFHS Rule 9-8)

SITUATION: A player running starts high stepping at the B10 and runs into the endzone where he then does a back flip. Review Rule (8-2-4)

SITUATION: On a free kick that goes out of bounds. What are Team B's Options? (6-1-9) (Note: If Team B elects to take the ball 25 yards beyond the previous spot, the ball should be placed on the hash of the sideline where the ball went out of bounds.)

SITUATION: Team A is lined up for a 2 point try from B 3 in the middle of the field, the ball has been marked ready for play. Prior to the snap, Team A is called for a false start. After the penalty is marked off, Team A requests the ball be placed at on the chain side hash. Should the officials grant the request? Review when Team A has options on where to place the ball.
