## MEMBERSHIP DRIVE:

What are you doing to recruit members to your KAY Club? At KLC, campers reflected on "What is their why?" What does KAY mean to you? Share your "why" and others will follow!

- Club fairs
- Games/snacks
- Small service project to introduce service

## KAY Area Projects

-Plan to complete your Area Project prior to the Regional Conference. At KLC, Area Presidents led each area through a brainstorming session to determine the Area Projects.

-Be sure to send in photos and a brief description of your project in a Powerpoint or Google slide a week before your RC. We will have it ready for your President to present at RC!
