

- Regional T&F entries opened yesterday. These will be done on Kansas MileSplit as they have in the past. Regional entries are due at noon central time on Monday, May 13.
- We'll have more information about team camp locations and plans for the east side of the stadium at the state meet coming soon.
- Please continue to send me wheelchair times. I compile those for seeding purposes at state.
- The maximum number of total events a student may participate in is four. That is a total of four counting individual events and relays. For example, it is not permissible for a student to participate in three individual events and two relays. That is five total events. See NFHS Rule 4-2-1.
