MINUTES

Note: Minutes are subject to approval by the Board at its next meeting.

Executive Board Meeting
KSHSAA Board Room
Thursday, April 28, 2022
Friday, April 29, 2022

The Executive Board met in the office of the Kansas State High School Activities Association on Thursday and Friday, April 28-29, 2022, with the following in attendance: President Roger Perkins, Tim Bumgarner, Matt Garber, Shannon Haydock, Deena Horst, Mike Kastle, Greg Rosenhagen, Tammie Romstad, Drew Thon, Linda Wiley, and Bill Faflick, Executive Director. Assistant Executive Directors Francine Martin, Mark Lentz, Jeremy Holaday, Craig Manteuffel, Rod Garman, Annie Diederich and Office/Operations Manager Brent Unruh also participated.

CONSENT AGENDA ITEMS

The following items were approved unanimously via consent:

- Minutes of the March 22-23, 2022, Executive Board meeting.
- Items approved by KSHSAA staff on behalf of the Executive Board. **(A list of these items may be found at the end of these minutes.)**

PUBLIC FORUM

None present.

ADMINISTRATIVE REPORTS AND UPDATES

The Executive Board received reports from Executive Director Bill Faflick and administrative staff regarding the status of programs and services of the Association. Staff reported on spring activity seasons currently underway. The Executive Director gave a financial report and update on legislative and other issues.

GOVERNOR APPOINTEES

Staff and Executive Board members reviewed the at-large appointees on the Board of Directors. In accordance with K.S.A. 72-7114, the Governor of Kansas makes these appointments.

Current Appointees, and the Congressional Districts they represent:

- CD #1 – Delvin Strecker – Current Term Expires June 30, 2023
- CD #2 – Linda Wiley – Current Term Expires June 30, 2022
- CD #3 – Vacated – Current Term Expires June 30, 2022
- CD #4 – David Abel – Current Term Expires June 30, 2023

All Governor Appointments serve two-year terms; in the second year, they are also members of the Executive Board.

EXECUTIVE BOARD APPOINTEES

Staff and Executive Board members reviewed the at-large appointees on the Board of Directors congruent to duties of the Executive Board (Bylaws Article IV, Section 4e (Independent schools representative) and Section 5 (middle school at-large representatives)).

Current Executive Board Appointees:

- Independent School – Kenny Waddell – Principal at Wichita-Central Christian – term expires June 30, 2022.
- MS/JH At-large – Brandon Simmelink – Principal. at McPherson – term expires June 30, 2023.
- MS/JH At-large – Justin Briggs – AD at Dodge City Commanche – term expires June 30, 2022. *(Per Executive Board action and his agreement, Justin will serve another two-year term beginning July 1, 2022)*

Thursday, June 15 – 8:30 a.m. – 3 p.m.

MEMBER HIGH SCHOOL REQUESTS LEAGUE AFFILIATION HEARING

Classical School of Wichita President Ben Zickafoose and Athletic Director Tim Dolloff appeared before the Executive Board to request the Association assign their school to a league per **Bylaw ARTICLE XV, League Affiliation**, which reads as follows:

Section 1: *Any member school not a member of a league or similar organization may apply to the KSHSAA Executive Board for assistance in acquiring league affiliation.*

Section 2: *The Board of Directors of the KSHSAA shall develop procedures whereby: (1) the requesting school shall submit sufficient evidence to the Executive Board that it has made a conscientious effort to become affiliated with an existing league; (2) if it appears that the Executive Board may take affirmative action on the request, the requesting school and any league to which the school may be assigned shall have an opportunity to be heard by the Executive Board prior to the time the assignment is made; (3) the Executive Board, after considering all the facts in the matter, may assign the school to an existing league; (4) in the event a school is assigned to a league under the above-mentioned circumstances, no members shall withdraw from that league for a period of three years without unanimous consent of all members of the league including the newly-assigned school, or approval of the Executive Board.*

Information was presented to the Executive Board detailing unsuccessful efforts by Wichita-Classical to pursue league membership as well as difficulties that have come about for the school by not being a member of a league.

It was the decision of the Executive Board to grant a league assignment hearing at the first meeting of the 2022-23 Executive Board. Subsequently, the hearing has been scheduled for **Tuesday, September 13, 2022**. The Executive Board voted to have the members of the **Heart of America, Heart of the Plains, South Central Border, and Wheat State Leagues** appear for purposes of this hearing. It was noted, these leagues have similar sized schools in their membership and their member schools are in the approximate geographic area of Wichita-Classical. Superintendents and principals of all schools in the four identified leagues will receive a communication from Mr. Faflick inviting them to attend and participate in the September hearing.

HEAT ACCLIMATIZATION

Staff presented a recommendation which has been developed, reviewed, and approved by the KSHSAA Sports Medicine Advisory Committee regarding a revised recommended protocol to monitor environmental conditions for activities in the fall season. In conjunction with research from the NFHS and other sports medicine practitioners, the SMAC has developed and approved a new recommended protocol based upon measurements taken with a Wet Bulb Globe Thermometer (WBGT). These mobile instruments provide a more accurate measure of heat and humidity than traditional thermometers as the WBGT uses air temperature, humidity, cloud cover and wind speed data to provide a final reading – not just heat index (radiant temperature and humidity).

Following discussion, the Executive Board approved a measure to designate this new WBGT protocol as the recommended system to evaluate climatic conditions for team and individual practices involving fall activities. The NFHS Foundation is providing WBGT units for 340 Kansas high schools and the KSHSAA will purchase additional units to ensure all high schools receive a WBGT for the upcoming fall season. The KSHSAA is also pursuing a grant to be used to purchase one unit for every member Middle School in the future. This summer, the KSHSAA will provide this device to all high schools along with information on how to use the tool.

SUMMER MORATORIUM

The Board was asked to review existing interpretations of the Summer Moratorium rule which will be followed this summer. This year, the dates for the Summer Moratorium are July 4 through July 10, 2022. The following existing interpretations were supported by the Executive Board for application in the upcoming summer:

Summer Moratorium Interpretations:

- **COACHES MAY** take a vacation.
- **COACHES MAY** coach their own child on an individual basis.
- **SCHOOL COACHES MAY NOT** work with middle/high school (7-12) students during this time frame.
- **COACHES MAY NOT SWAP TEAMS** with another school coach (boys/girls, other school team). A coach from another school cannot coach your school team. Coaches from another sport entirely cannot coach another sport's team.
- **NO SCHOOL TRANSPORTATION** is permitted including the school coach providing personal transportation to students from their school team.
- **SCHOOL FACILITIES MUST** be closed to any school coach and students. EXCEPTION (SEE NEXT INTERPRETATION).
- **STUDENTS MAY BE PERMITTED** to participate in events/competitions at a school facility if an outside agency/group/organization leases the facility for competition and organizes the event.
- **STUDENTS MAY** compete during this time but they cannot be coached by a school coach.
- No team camps.

A discussion was held on the history of the summer moratorium and summer coaching rules in general. While the Executive Board affirmed the Summer Moratorium interpretations, they also directed staff to form a committee with the purpose of studying the summer coaching rules and their effectiveness, with the goal to possibly make recommendations for changes. Staff will compile a tentative roster of committee members based on geography and diversity and will bring forth a timeline for study at the June meeting of the Board.

DEBATE AND SPEECH CONFLICT

Following an inquiry from a member school, staff learned about a National Speech and Debate Association (NSDA) Last Chance National Qualifying "online" Tournament that will be held on the same dates as the KSHSAA State Lincoln-Douglass Debate Tournament, KSHSAA State Speech Festivals and KSHSAA State Speech Championships. Following a review, staff denied approval for member schools to participate in this event in order to eliminate the conflict that may occur for students. The KSHSAA and the NSDA worked together to determine future possible dates for tournaments were not at odds, but for the upcoming event the Executive Board confirmed the response given by staff.

AWARDS CONTRACT

The KSHSAA has used A&M Awards for all championship medals, trophies, and plaques. Due to cost of materials, they have provided a 30% increase in price for the KSHSAA with anticipated additional impact of \$45,102.95 to the KSHSAA. Discussion was held on the changes and possibility for other vendors who may also provide awards for the Association. The Executive Board directed staff to continue negotiating with A&M Awards to provide awards for the next school year.

REVIEW OF ADMISSIONS POLICIES AND ENTRY FEES

Staff provided a review of current policies and prices for admission to postseason events and member school event fees and how those revenues are shared with member schools. It was recommended to adjust admission and event fees for KSHSAA championship series for all activities. This will help with increased prices for materials and other costs associated with hosting postseason events. This will also allow for an increased share to be given to host schools through entry fees and admission. Following a review of the increased event admission prices, school entry fees, and school participation fees, the Executive Board voted to approve the increase as recommended by staff. (See Addendum on page 13).

GOLF PROTOCOL AFFIRMED

The KSHSAA reviewed the existing consequence for a golfer urinating on the course during competition. The Board affirmed disqualification is the appropriate response for such behavior.

GOLF POLICY FOR OUTSIDE COMPETITIONS CREATED

Based upon previous discussions following Regional Administrator/BOE meetings, and as initiated by the KIAAA, staff provided a draft of language at the January Executive Board Meeting to allow for one tournament exemption for golfers during the season. The Board requested staff make modifications to the interpretation for their review. Following discussion, the Executive Board approved adoption of the new policy per authority granted in **Rule 36-2-9**. This protocol will be placed in the Golf Manual and will begin with the 2022-23 school year. The adopted policy follows:

A student may participate in one KSHSAA approved outside competition, in place of one of their allowable eight, during the school season (not representing his or her school) without loss of interscholastic eligibility:

1. Each school year, the KSHSAA will develop a roster of amateur events which occur during the school season. Those events will be sponsored by Central Links Golf and/or the USGA and participation in one event will not be contrary to the **Outside Competition Rule 22** for member golf team members.
2. The participation in the event, if during the school year, is approved by the student's high school principal, and the KSHSAA is notified in writing by the principal of the intent of named student at the identified event at least 30 days prior to the start of the event.
3. All other individual eligibility requirements remain applicable including, but not limited to, **Awards Rule 20** and **Amateur Rule 21**.

EXECUTIVE SESSION DISCUSSION

On Friday, April 29 at 9:35 a.m., the Executive Board called for an executive session for 15 minutes to discuss non-elected personnel information. Mr. Faflick was asked to remain. At 9:50 a.m., the Board reconvened and called to extend the session for an additional five minutes. The Board resumed regular session at 9:55 a.m.

KSHSAA STAFF SALARY ALLOCATION APPROVED; ADMIN CONTRACTS RENEWED

Following Executive Session, the Executive Board approved a staff salary allocation of \$1,796,541 for the 2022-23 school year. This total reflects a 3.0% increase in salary allocation approved from the 2021-22 school year for staff salaries and the addition of additional staff due to programming which started at the beginning of this school year. The Executive Board also approved a one-year extension for all returning contracted administrators.

KANSAS MUSIC EDUCATORS ASSOCIATION ADVISORY COMMITTEE

The Kansas Music Educators Association (KMEA), represented by John Taylor, Wichita; Mark Gard, Coffeyville-Field Kindley; Jamie Minneman, Marysville; and Dana Hamant, Wichita, met with the Executive Board. KMEA President Gard provided an overview of the efforts of music educators striving to provide quality instruction and experiences for students throughout the past year. While the KMEA had no proposals to present, the Executive Board expressed their thanks and appreciation for the efforts of KMEA to advance music education for the benefit of all Kansas students.

KANSAS SPEECH COMMUNICATIONS ASSOCIATION ADVISORY COMMITTEE RECOMMENDATIONS

The Kansas Speech Communications Association (KSCA), represented by Eric Skoglund, Olathe Northwest; met with the Executive Board to present KSCA recommendations.

The following recommendations were received, discussed, and approved for immediate implementation:

Proposal #1

Debate

The electronic retrieval device rules should be adjusted such that recording audio/video of participating students is prohibited in all circumstances, regardless of whether a school offers wireless Internet.

Rationale:

- *When the Internet Use Rules were adopted, this inadvertently put the recording rules in a section that does not apply to tournaments which offer wireless Internet access. This change would correct that error while clarifying the intention of the term "record" in the rules.*
- *Survey: Overall 92.11% /6A 91.30% /5A 100% /4A 100% /3-2-1A 80.95%*

Proposal #2

Debate

The threshold for octafinals at the 2-Speaker State Debate championship should be revised from 48 to 36.

Rationale:

- *In several recent years, 2-speaker tournaments which have had between 36 and 48 teams have had issues where substantial numbers of 4-2 teams do not clear to the elimination rounds, while tournaments with other numbers do not typically run into this circumstance. Lowering the threshold to 36 maintains the tournament's ability to function with the judge pool provided while increasing the chance that all or almost all 4-2 teams will clear in a given year.*
- *Survey: Overall 90.12% /6A 92% /5A 94.44% /4A 93.75% /3-2-1A 81.82 %*

Proposal #3

Debate

The return of evidence rule should be revised such that the team who is currently speaking or using prep time shall have the right to access any evidence that has been read to that point in the round, in a form that is usable by the team.

Rationale:

- *The current rule limits the educational value in debaters reading evidence critically during a speech, as it severely restricts the access that a team has to the evidence that has been read in the round. Under the current rule, teams who falsify or misuse evidence are more likely to get by without their opponent identifying the issue. Separately, the current rule creates a substantial disparity in treatment for teams who debate using paper files versus those who use digital files.*
- *Survey: Overall 96.43% /6A 100% /5A 94.74% /4A 93.75% /3-2-1A 95.83%*

Proposal #5

Debate

Up to 3 students who qualified to 4-speaker state should be allowed to enter 2-speaker state, provided that (a) they are already qualified to 2-speaker, (b) the school forfeits the 4-speaker entry prior to registration, and (c) the school's 2-speaker entry does not exceed the allowed maximum number of entries.

Rationale:

- *In the event of illness, injury, or academic ineligibility, it is possible for a school qualified to 4-speaker state to be unable to field a competitive team, but to have individual students who may be competitive in the 2-speaker tournament. Limiting the number of such students to 3 ensures that a school could not simply shift their entire 4-speaker entry tactically. This change would eliminate the unofficial presumption that the 4-speaker tournament takes precedence over the 2-speaker tournament.*
- *Survey: Overall 70.51% /6A 73.91% /5A 68.42% /4A 53.33% /3-2-1A 80.95%*

Proposal #7

Speech & Drama

Reciprocal fractions should be added as a tiebreaker at state championships between ranks and quality points.

Rationale:

- *The use of reciprocal fractions (rank 1 = 1/1 = 1, rank 2 = 1/2 = 0.5, etc) allows for ties to be broken based only on ranks. Reciprocals de-emphasize the impact of a single poor score. For instance, Student A who earns a 1, 1, 5 has a total of 2.2 reciprocal ranks, and Student B who earns 2, 2, 3 has a total of 1.33 reciprocal ranks. Student A would be placed above Student B without a need to use quality points. Another way to understand reciprocals is that a tie is broken by who earned the most 1s, then the most 2s, and so on, so this calculation can be easily done by hand if necessary. This proposal retains quality points as a backstop but de-emphasizes their impact on tabulation. Reciprocal ranks are used in several states as well as multiple major national tournaments as a supplement to, or replacement for, quality points. Another way of thinking about reciprocals is that they are similar in concept to judges' preference, but they take all rounds into consideration.*
- *Survey: Overall 85% /6A 100% /5A 100% /4A 84.21% /3A 80% / 2A 77.27% / 1A 75%*

Proposal #8

Speech & Drama

4A should end the practice of using KSHSAA hired judges at state championships, and adjust the judge requirements accordingly, such that all judges throughout the tournament are provided by participating schools, joining 5A and 6A in this practice.

Rationale:

- *Several years ago, 5A and 6A voted to eliminate the use of KSHSAA hired judges as it was believed that those judges had a substantially different vision for competitive speech/drama than the pool of school judges. This may be true for other classifications as well. This proposal would also reduce the number of KSHSAA judges which are required at each state site, potentially allowing for more events to be selected in these classifications. In order to ensure the tournament has sufficient judging to function, the quota is increased slightly from 1 judge per roughly 6 entries to 1 judge per 4 entries.*
- *Survey: 4A 72.22%*

The following proposals were received, discussed, and **not** approved by the Executive Board:

Proposal #4

Debate

The manual should add an official definition that JV divisions should be limited to students in their first and second year of high school competition.

Rationale:

- *Establishing a statewide default for the meaning of this division would help to standardize norms and expectations, and reduce miscommunication that occurs at invitationals. Note that this default rule would not stop a school from hosting a tournament with a different definition of JV, if it was so communicated in their invitation.*
- *Survey: Overall 82.14% /6A 88 % /5A 90% /4A 88.24% /3-2-1A 63.64%*

Proposal #6

Speech & Drama

The manual should add an official definition that JV divisions should be limited to students in their first and second year of high school competition.

Rationale:

- *Establishing a statewide default for the meaning of this division would help to standardize norms and expectations, and reduce miscommunication that occurs at invitationals. Note that this default rule would not stop a school from hosting a tournament with a different definition of JV, if it was so communicated in their invitation.*
- *Survey: Overall 79.86% /6A 85.19% /5A 84.21% /4A 85.71% /3A 69.23% / 2A 90% / 1A 69.23%*

KANSAS COACHES ASSOCIATION ADVISORY COMMITTEE RECOMMENDATIONS

The Kansas Coaches Association (KCA), represented by Jeri Brummett, Rock Creek; Scott Koranda, Wathena-Riverside; and Ginny Honomichl, Baldwin City; met with the Executive Board to present KCA recommendations.

All recommendations from the KCA were tabled until the June Executive Board meeting to allow for additional stakeholder communication and extended deliberation prior to final action.

A list of the KCA proposal items follows:

Proposal #1

Cross Country

Discontinue the rule that GPS watches are an aid for runners.

Rationale:

- *GPS can be worn, but GPS is turned off. (good faith) Ease of administration. (Golf/cell phones)*
- *The advantage is in the administration of the rule. Some of the courses aren't marked. This would assist runners in knowing where they are and knowing the distance run if not marked. 90% of the time there's a gator/golf cart etc. out in front.*

Proposal #2

Cross Country

Provide ten medals for the top three teams at state instead of eight medals.

Rationale:

- *Teams are allowed to have ten runners on the roster for state but only provide seven runner medals and one coach medal if you place in the top three at state. Alternates are eligible to run and could potentially run, therefore they should receive a medal. (Ex. basketball 12)*

Proposal #3

Volleyball

Coaches should determine whether or not to switch sides of the court between sets (unless there is an unfair advantage).

Rationale:

- *The decision to switch sides of the court this year was a referee's decision. We would like both coaches to come to consensus on that decision, which would be decided during the pre-game conference. If consensus between coaches is not able to be made, then teams would switch sides.*

Proposal #4

Basketball

Allow high school coaches to have a scrimmage (Jamboree) with opposing schools before the start of the season.

Rationale:

- *Kansas High School basketball teams are wanting a jamboree. They want to scrimmage other teams prior to the start of the season to see if they are prepared to start their seasons.*

Proposal #5

Basketball

Add more basketball games to the Kansas basketball total number of games that could be played in a season.

Rationale:

- *Adding games to the present total can be achieved by adding three individual games or another tournament to a school's schedule. A school can decide how they want to implement the change in schedule. Also, a school does not have to schedule all games available to them. Bordering states allow as many as 3 to 6 more games than Kansas.*

Proposal #6

Basketball

Coaches would like to change the current 1A through 3A playoff system to a similar format like that of 4A through 6A.

Rationale:

- *This format would honor the teams that are having a good season so that all do not get grouped into the same sub-state.*

KIAAA ADVISORY COMMITTEE RECOMMENDATIONS

The Kansas Interscholastic Athletic Administrators Association (KIAAA), represented by Jason Menard, Douglass; Dr. Ben Sutherlin, Olathe South; and Angelo Giacalone, Shawnee Mission Northwest; met with the Executive Board to present recommendations resulting from the KIAAA Annual Classification Forum conducted earlier in April.

All recommendations from the KIAAA were tabled until the June Executive Board meeting to allow for additional stakeholder communication and extended deliberation prior to final action.

A list of the KIAAA proposal items follows:

Proposal #1

General

Should the KSHSAA change their policy/practice/procedure to include an "opt-in-box" in the annual KSHSAA School Dues that would include KIAAA/NIAAA dues?

Rationale:

Proposal #4

Baseball

Should the KSHSAA revise the current policy for 3-2-1A baseball in regard to the current pitch count rule to be as follows:

- 0-45 pitches = 1 day of rest.
- 46-75 pitches = 2 days of rest
- 76-105 pitches = 3 days of rest
- 106-120 pitches (max and must be removed after conclusion of batter = 4 days of rest.

Rationale:

TOTAL	28	82.4%	6	17.6%	PASS

Proposal #5

Baseball

Should KSHSAA change the playing dates for 3-2-1A baseball to reflect the following: Regional Round 1 should take place during SCW #45 on Thursday or Friday. Regional rounds 2 and 3 should take place during SCW #46.

Rationale:

<i>Class</i>	<i>Yes</i>	<i>Yes%</i>	<i>No</i>	<i>No%</i>

KANSAS ASSOCIATION OF SCHOLARS BOWL COACHES ADVISORY COMMITTEE

The Kansas Association of Scholars Bowl Coaches (KASBC), represented by Ryan Burrows of Satanta High School, was recognized by the Executive Board. Mr. Burrows provided an informative report on the history and status of Scholars Bowl. While the KASBC had no proposals to present, the Executive Board expressed their thanks and appreciation for the efforts of KASBC to advance scholars bowl for the benefit of all Kansas students.

NEXT MEETING

The next regularly scheduled meeting will be held on Friday, April 29, 2022, immediately following the Board of Directors meeting. The June meeting of the Executive Board is scheduled for Wednesday and Thursday, June 15-16, 2022, and is tentatively scheduled for the KSHSAA office building located at 601 SW Commerce Place in Topeka.
