

Kansas State High School Activities Association

MINUTES

Note: Minutes are subject to approval by the Board at its next meeting.

Executive Board Meeting
KSHSAA Board Room
Tuesday, September 12, 2023
Wednesday, September 13, 2023

The Executive Board met in the office of the Kansas State High School Activities Association on Tuesday and Wednesday, September 12-13, 2023, with the following in attendance: President Justin Seuser, Kellen Adams, Justin Briggs, Rick Byers, Mike Kastle, Alan Penrose, Travis Powell, Casey Seyfert, Linda Wiley, Paul Zuzelski, and Bill Faflick, Executive Director. Assistant Executive Directors Mark Lentz, Jeremy Holaday, Craig Manteuffel, Rod Garman, Kyle Doperalski, Sarah Smith, Director of Operations Brent Unruh, and Director of Officials Scott Goodheart were also present. Member Deena Horst was absent due to a schedule conflict with the Kansas State Board of Education meeting.

EXECUTIVE BOARD OFFICER ELECTION

Class 6A representative Drew Thon, Garden City, resigned from his position on the Board of Directors and Executive Board, as well as from 2023-24 Board President due to a change in jobs within Garden City USD 457. Following notification of the open officer position, the Board elected Justin Seuser, Buhler, as President for 2023-24. An election was then held to fill the open position vacated by Mr. Seuser. The Board elected Mike Kastle, Parsons, as Vice-President for 2023-24.

CONSENT AGENDA ITEMS

The following items were all approved unanimously via consent:

- Minutes of the June 14-15, 2023, Executive Board Meeting.
- Items approved by KSHSAA staff on behalf of the Executive Board. ***(A list of these items may be found at the end of these minutes.)***
- Conflict of Interest Statements signed by Executive Board members.

ADMINISTRATIVE REPORTS AND UPDATES

The Board received financial and administrative reports from Executive Director Bill Faflick, Assistant Executive Directors Mark Lentz, Jeremy Holaday, Craig Manteuffel, Rod Garman, Kyle Doperalski, Sarah Smith, Director of Operations Brent Unruh, and Director of Officials Services Scott Goodheart.

2022-23 AUDIT REPORT APPROVED

Staff presented the Executive Board with the annual certified audit report prepared by Wendling, Noe, Nelson, & Johnson L.L.C. of Topeka. Cameron Werth, CPA, and Eric Otting, CPA, represented the accounting firm by providing a review of the clean audit and the Board voted unanimously to approve the audit report. The report will be printed in the next issue of the *KSHSAA Activities Journal*.

NFHS SUMMER MEETING

Executive Board members and staff who attended the NFHS Summer meeting held June 28-July 2 in Seattle discussed their learning and networking experiences realized as part of engaging in this professional development opportunity. Important topics discussed included student health and safety, emergency preparedness, using media to tell the interscholastic activity story, diversity and inclusion, NIL, sportsmanship/behavior, legislative issues and team building amongst Board members. The board supports continued investment in this professional development opportunity.

BASKETBALL SUB-STATE FINAL GAME TIMES CHANGED

A proposal was made to amend the start time for the first basketball sub-state final game. Following discussion, the Board unanimously approved changing the start time for sub-state finals. The first game of final day (Saturday) will now start at 5:00 p.m. for all classifications at all sites.

BASKETBALL SEEDING

Staff recommended the Executive Board review the interpretation of Basketball Manual language relative to a possible tie between three or more teams in seeding. Specifically, the former process was:

3. If three or more teams have an identical winning percentage, the tie will be broken as follows:
 - a. If one team has defeated the other two (or more) a larger number of times, it will receive the better seed. If there are two teams left refer to step 2.

The previous interpretation was all teams in the tie need to have played each other to have “step a” break the tie. For consistency with other activities, the board clarified that one team which has defeated the other two teams in the tie would have the higher seed. The new language adopted follows:

3. If three or more teams have an identical winning percentage, the tie will be broken as follows:
 - a. If one team has defeated all others with an identical winning percentage a larger number of times, it will receive the higher seed.

SEMESTER HARDSHIP ELIGIBILITY REQUEST

A student at Wichita-Collegiate High School applied for and was granted transfer hardship eligibility by the KSHSAA following a change in schools. The school also applied for a Semesters Hardship waiver per **Handbook Rule 16-1-4** due to a personal tragedy which occurred during his freshman year. This request was forwarded to the Executive Board for review and determination by the Executive Director. Following review and discussion, it was determined the waiver of semesters would not be granted. The student shall be in his third semester of high school for this fall semester.

STATE TRACK & FIELD CHAMPIONSHIP ADAPTIVE RACE ADDED

Wichita Heights High School has requested the KSHSAA consider adding the 1600m Wheelchair race to the KSHSAA State Track and Field Championship meet. Representatives of Wichita Heights and Wichita Adaptive Sports presented the rationale for such an addition to the state championship meet schedule. The proposal to add the 1600m wheelchair race with a qualifying standard was approved.

REGIONAL TRACK AND FIELD ENTRY PROTOCOL

The KSHSAA has received a request for the Executive Board to consider possible additional entries to the Regional championship Track and Field meets for all classes based upon an established standard. This would require the adoption of a qualifying standard for entries in classes 4A-6A, similar to what already exists in classes 1A-3A. Following discussion, the Board determined the topic should be further discussed at the October Regional Meetings this fall to allow for more input.

STATE TRACK AND FIELD QUALIFYING PROCEDURE

The KSHSAA has received a request for the Executive Board to modify the qualifying procedure for all classifications of the State Track & Field meet. Currently, the top four place winners in all events at each regional meet qualify. The proposal identifies automatic qualifiers and the inclusion of other qualifiers by considering performances from each regional site. A discussion was held, and the Board determined the topic should be further discussed at the October Regional Meetings this fall to allow for more input.

NFHS BEHAVIOR IN SPORT SUMMIT

The KSHSAA was represented at the NFHS Behavior Summit. Staff led the discussion with the Executive Board relative to stakeholder behavior and how the interscholastic activity program may be instrumental in teaching life lessons of appropriate engagement and behavior. Key lessons included starting earlier (focus on MS/JH level), recognize the impact a coach has on influencing crowd response and communicate expectations accordingly, and positive interactions with officials. It is important to communicate expectations on how to channel the emotion of an athletic/activity contest appropriately.

ELIGIBILITY HEARING

The Executive Board conducted an eligibility appeal from Wichita-The Independent High School relative to a determination provided by the KSHSAA Executive Director. Jason Selmon and parent Jason Bootsma represented The Independent School and the student. Micael Ghram, Wichita North Athletic/Activity Director joined the KSHSAA Executive Director in defending the initial determination of non-approval of a hardship eligibility request. Following prescribed hearing protocol, the board upheld the initial determination by the KSHSAA and determined that the hardship application did not meet the standard of the transfer rule as defined in Handbook Rule 18, Purpose Statement and Hardship 18-1-13. The Executive Board encouraged the pursuit of limited eligibility.

BOARD OF DIRECTORS MEETING PREVIEW

The Executive Board reviewed the agenda for the upcoming Board of Directors meeting. Discussion was held on presentation of topics to the Board as well as possible additional topics that may be presented. The Board voted to add additional language to the agenda item on state legislature changes by creating the exception language to **Rule 18, Section 1, Article 4 – Transfer from a Non-Member School**.

REGIONAL ADMINISTRATOR AND BOARD OF EDUCATION MEETINGS

A review was given of current topics for the regional administrator meetings to be held in October.

Staff reviewed the current topics and protocol for the October Regional Administrator and Board of Education meetings. These meetings will be held throughout the state during the month of October. Discussion was held on ways to encourage participation and attendance at these meetings.

The dates for these meetings and the topics to be discussed are as follows:

<u>2023 Meeting Dates</u>	<u>Locations</u>
Monday, October 16	KSHSAA Office
Tuesday, October 17	Salina-South High School
Wednesday, October 18	Oakley High School
Thursday, October 19	Dodge City USD 443 District Office
Monday, October 23	Blue Valley USD 229 Hilltop Facility
Tuesday, October 24	Maize-South High School
Wednesday, October 25	Fort Scott High School

Meeting Topics

1. **(Basketball Classes 6A & 5A Only)** Should the KSHSAA add a 30 second shot clock to all varsity basketball games in 5A and 6A (both boys and girls basketball)?
2. **(Basketball Class 3A Only)** Should the KSHSAA split the State into four groups of 16, and create two sub-states?
3. **(Golf)** Should KSHSAA allow 2 tournaments to start before 12 p.m. and the rest can start at 1 p.m.?
4. **(Tennis)** Should the KSHSAA change Handbook Rule 41, Tennis (Girls & Boys), Section 2, Article 4 to remove outdated language on competition times.
5. **(Volleyball Class 3A Only)** Should the KSHSAA split the State into four groups of 16 and create two sub-states?
6. **(Basketball Classes 3A-1A)** – Should the KSHSAA modify the postseason tournament format?
7. **(Volleyball Classes 3A-1A)** – Should the KSHSAA modify the postseason tournament format?

The vote tabulations and discussion highlights will be provided to the Executive Board at their November meeting at which time they will formulate the next steps for each respective item.

SUMMER COACHING RULES

This past school year, the KSHSAA convened a Summer Coaching Rule Committee to review the rules governing the amount of interaction between school coaches and athletes from their school. Several options for changes were brought before the Board for review. Following discussion, the Executive Board voted to place a discussion item on the agenda for the KSHSAA Regional meetings.

MIDDLE SCHOOL TENNIS COMPETITION LIMITS

The KSHSAA has received a request to consider modifying the Jr. High/Middle School Tennis competition limit to include the following:

Two dual meets may be substituted for one day of tournament competition provided no loss of instructional time would take place for competition and/or travel.

While this does not change the total number of allowable competition dates, it would be congruent to the high school rule. The language would modify **Rule 41, Tennis, Section 3, by adding a new Article 2** and would need to be placed on the agenda for a Board of Directors meeting to be changed. Following discussion, the Board voted to place the item on the KSHSAA Regional meetings agenda.

STATE SOFTBALL FORMAT

Staff led discussion with the Board on the status of the sites and format utilized for the State Softball Tournament associated with Class 3A. For this next year, the 3A tournament is moving to Topeka and a multi-field format would be available. Following discussion, the Board voted to use a one field format for all classifications of State Softball beginning with the 2024 tournament.

2023-24 BUDGET APPROVED

Following a hearing held on Wednesday, September 13, 2023, at 11:30 a.m. in the office of the KSHSAA, the Executive Board unanimously approved the KSHSAA budget for the 2023-24 school year and authorized its publication and distribution to member schools.

Details concerning each of the charts of accounts listed are available upon request. A summary of the approved budget will be included in the next issue of the *KSHSAA Activities Journal*.

PREPARTICIPATION PHYSICAL EXAM

A discussion was held on concerns regarding the confidentiality of medical information shared with member schools on the Preparticipation Physical Exam form (PPE). The Board recommended the KSHSAA Sports Medicine Advisory Committee consider possible amendments to the PPE and review appropriate next steps relative to information requested on this document, and the recommended best practice for the custody of this record. It is anticipated the SMAC will engage in discussion on this topic and then provide feedback on this item for Executive Board consideration at an upcoming meeting.

NON-VARSITY SCHEDULING

For some of our member schools, it is difficult to complete a full schedule. Schools have requested the opportunity to have JV teams participate in Jamboree style competitions in lieu of scheduled games. Following discussion, the Board did not support using Jamboree style competitions as substitutes for games.

NFHS NETWORK

Staff provided an overview of the existing exclusive broadcast agreement with the NFHS Network. This included a review of the terms of the agreement and the ability local broadcasters are afforded to access declined games during the postseason. Additionally, staff reviewed the impact of new legislation on the existing contract between the KSHSAA and the NFHS Network. It is noted, the original contract included a self-executing renewal after the first five years for an additional five years. Based upon expectation the Network will satisfy contractual obligations by the end of the 2023-24 school year, the self-executing renewal will extend through the 2028-29 school year. It was noted, the contract applies to video streaming; there is no exclusivity relative to audio only (radio) broadcasts.

STATE GYMNASTICS

At the request of the staff, and based upon input from coaches and the host site, the Executive Board approved the start time for the State Championship Gymnastics meet to be 10:00 a.m. The championship meet will be held at Newton High School on Saturday, October 21, 2023.

ASSOCIATION VEHICLE REQUEST

The Executive Director requested the Board approve the purchase of an additional Association vehicle for the position of Director of Officials. The request was approved with the expectation this vehicle will be used for Association work and follow guidelines for reimbursement when used for personal travel.

EXECUTIVE SESSION

At the request of the Executive Director, the Board entered an Executive Session to discuss matters related to non-elected personnel. The Executive Board recessed from 8:17 a.m. until 8:27 a.m. on Wednesday, September 13. There was no action resulting from the Executive Session.

NEXT MEETING

The next regularly scheduled meeting of the Executive Board will be held on:

Wednesday, November 15 – 10 a.m. – 5 p.m.

Thursday, November 16 – 8:30 a.m. – 1 p.m. (tentative)
