

HONORED MEMBERS OF THE KSHSAA HALL OF FAME

The growth and development of interscholastic activities in Kansas has been made possible through total commitment of individuals interested in developing these programs, as well as the unusual achievements by the participants. The Kansas State High School Activities Association Hall of Fame was established in 1975 to permanently recognize these outstanding individuals. Inductees were selected by the Hall of Fame Committee who have unselfishly devoted many hours of their time to evaluate the numerous nominees to this Hall of Fame.

The Hall of Fame Gallery is housed in the Kansas State High School Activities Association office building located at 601 SW Commerce Place, Topeka, Kansas and is open Monday through Friday during business hours (7:30 a.m. - 4:30 p.m.).

KSHSAA HALL OF FAME MEMBERS

Honored members of the KSHSAA Hall of Fame are listed on the back of this sheet. With the 2024 inductees, the Hall of Fame includes 285 members. Portraits of the current year inductees are located on the main/upper level of the KSHSAA office.

The primary Hall of Fame Gallery is located on the lower level of the KSHSAA building. Inductees are displayed in alphabetical order by the year they were inducted. Going left to right, beginning with the top row on the west wall and continuing on the north wall are those inducted in 1975-1979. The second row includes the years 1979-1990. The third row includes the years 1990-2003. The fourth row includes 2003-2016. Starting at the top, the east wall continues with 2016-2021.

Each inductee has a permanent file available for viewing upon request.
