THE FINAL COUNTDOWN!

The end of the school year is quickly approaching. I hope you found your clubs and yourselves energized after attending a Unit Conference in January or February and are prepared to finish the school year strong!

As you prepare for your final projects and board elections, do not forget to celebrate and appreciate your club before the school year ends. Clubs thrive when they know that their good work does not go unnoticed!

With graduation approaching for your seniors, they are undoubtedly starting the process of completing scholarship applications. Please encourage your seniors to apply for the Wanda May Vinson Scholarship. Applications are due April 1, 2024. The application is available on the KSHSAA KAY page.
