

ATTENTION!!

MAIZE SOUTH HIGH SCHOOL Meeting Attendees:

In preparation for tomorrow's Regional Meeting, Maize South High School administration would like you to have the following information related to entering their building.

- Everyone will need to enter the building through the main office located on the east side of the building off Tyler Street, by the bull statue/American flag.
- If school administrators wear their local school ID, they will not have to scan in with the Maize South Raptor system. If no local school ID is worn, a driver's license will need to be provided to get a visitors pass.
- The session will be in the auditorium right across from the office.

Thank you for your assistance and we look forward to seeing you for a productive meeting tomorrow.

2023 REGIONAL ADMINISTRATOR/BOE DISCUSSION TOPICS

Basketball

1. **(Classes 6A & 5A Only)** Should the KSHSAA add a 35 second shot clock to all varsity basketball games in 5A and 6A (both boys and girls basketball)? *(See Support Material)*

YES ____ NO ____

Proposed by the KIAAA and the KSHSAA Executive Board (June 14-15, 2023)

2. **(Classes 3A, 2A & 1A Only)** Should the KSHSAA split the State into four groups of 16, and create two sub-states? *(See Support Material)*

YES ____ NO ____

Proposed by the KIAAA and the KSHSAA Executive Board (June 14-15, 2023)

3. **(All Classes)** Should the KSHSAA consolidate state championship sites, playing multiple championships at fewer venues?

YES ____ NO ____

Proposed by the KSHSAA Executive Board (June 14-15, 2023)

4. **(All Classes)** Shall the KSHSAA advance 4 school teams to the state tournament final site (currently taking 8)?

YES ____ NO ____

Proposed by the KSHSAA Executive Board (June 14-15, 2023)

Golf

5. Should KSHSAA allow 2 tournaments to start before 12 p.m. and the rest can start at 1 p.m.?

YES ____ NO ____

Proposed by the KCA and the KSHSAA Executive Board (June 14-15, 2023)

Tennis

6. Should the KSHSAA change Handbook **Rule 41, Tennis (Girls & Boys), Section 2, Article 4** to read:

Art. 4: No student representing a member school shall participate in more than eight days of interschool competition during a season, exclusive of ~~regional, sub-state and state~~ KSHSAA postseason tournaments.

- a. Two dual meets may be substituted for one day of tournament competition ~~provided no loss of instructional time would take place for competition and/or travel.~~
- b. Schools are encouraged to schedule as many quadrangular or smaller events as possible. It is recommended these events start after school hours.
- c. *On those days when school time is used, only four matches or tournaments may start prior to 3 p.m. C.T.*

YES ____ NO ____

Proposed by the KCA and the KSHSAA Executive Board (June 14-15, 2023)

7. **(Junior High/Middle Schools Only)** Should the KSHSAA modify the Junior High/Middle School tennis competition limit in Handbook **Rule 41, Tennis (Girls & Boys), Section 3**, by adding a new **Article 2** to read:

Art. 2: ~~Two dual meets may be substituted for one day of tournament competition provided no loss of instructional time would take place for competition and/or travel.~~

YES ____ NO ____

Proposed by the KSHSAA Executive Board (September 12-13, 2023)

Track & Field

8. **(All Classes)** Should the KSHSAA consider allowing schools to submit additional entries for individual events if all athletes have met a qualifying standard for that event. Currently, schools are only allowed to have three entries. Three entries would remain the limit if they do not all meet the qualifying standard. *(See Support Material)*

YES ____ NO ____

Proposed by the KSHSAA Executive Board (September 12-13, 2023)

9. Should the KSHSAA modify the qualifying procedure for all classifications of the State Track & Field meet? Currently, the top four place winners in all events at each regional meet qualify. The proposed language for the manual would have the top three (3) finishers for the event in each regional automatically advance to the state championship. The next best four (4) qualifying times/distances/heights in the event from all regional competitions would also advance to the state track and field championship. *(See Support Material)*

YES ____ NO ____

Proposed by the KSHSAA Executive Board (September 12-13, 2023)

Volleyball

10. **(Classes 3A, 2A & 1A Only)** Should the KSHSAA split the State into four groups of 16 and create two sub-states? *(See Support Material)*

YES ____ NO ____

Proposed by the KIAAA and the KSHSAA Executive Board (June 14-15, 2023)

General

11. This past school year, the KSHSAA convened a Summer Coaching Rule Committee to review the rules governing the amount of interaction between school coaches and athletes from their school. Several options for changes were brought before the Board for review.

Option 1 ____ **Option 2** ____ **Option 3** ____

Proposed by the Summer Coaching Rules Committee and the KSHSAA Executive Board (September 12-13, 2023)

Note: In the following info, SCW refers to the KSHSAA adopted Standardized Calendar Weeks. Specific dates listed below reflect the summer 2024 calendar.

Option 1 – Establish designated windows for coach-athlete contact in specified activities.

- SCW 48 (May 26-June 1) – Limited moratorium for all sports; strength and conditioning only
- SCW 49-51 (June 2-June 22) – Open contact for all sports except football and volleyball (strength and conditioning only for football and volleyball)
- SCW 52 (June 23-June 29) – Open for all sports except basketball, football, and volleyball (only strength and conditioning for basketball, football, and volleyball)
- SCW 0 (June 30-July 6) – Traditional Moratorium; full shutdown
- SCW 1-3 (July 7-July 27) – Open contact for all sports except basketball (strength and conditioning only for basketball)
- SCW 4-6 (July 28-August 17) – Limited moratorium for all sports; strength and conditioning only
- Monday of SCW 7 (August 19) – First day of practice for fall sports

Option 2 – Establish a specific number of days of coach-athlete contact

- SCW 48 (May 26-June 1) – Limited moratorium for all sports; strength and conditioning only
- SCW 49-SCW 3 (June 2 – July 28) – School coaches may have 20 days contact with student-athletes.
- The 20 days are counted on a per sport, per gender basis. Contact days include any day in which a school coach provides instruction in sport specific drills, practice, or competition. Strength and conditioning do not count toward the 20 days if sport specific instruction does not take place.
- Note: SCW 0 (June 30-July 6) – Traditional Moratorium; full shutdown
- SCW 4-6 (July 28-August 17) – Limited moratorium for all sports; strength and conditioning only
- Monday of SCW 7 (August 19) – First day of practice for fall sports

Option 3 – Status Quo – Current rules remain in place with no proposal for changes to governing contact between school coaches and student participants.

- SCW 48- SCW 2 (May 28-July 21) – Open contact for all sports
- Note: SCW 0 (June 30-July 6) – Traditional Moratorium; full shutdown
- SCW 3-4 (July 22-August 3) – Limited moratorium for all sports; strength and conditioning only
- SCW 5-6 (August 4-August 17) – Limited moratorium for all sports; strength and conditioning only
- Monday of SCW 7 (August 19) – First day of practice for fall sport

Regional Administrator/BOE Support Material

October, 2023

Agenda Item 1 (Basketball Shot Clock)

From the perspective of veteran Kansas **game officials**, the following was provided relative to the inclusion of the shot clock at the interscholastic level:

1. Training for officials and bench personnel will be critical.
2. Most difficult job at the scoring table is the shot clock (need to be very knowledgeable).
3. Will eliminate discernment as on intentional fouls as all will be two shots.
4. Varsity only or also at non-varsity and MS levels?
5. One more thing to go wrong.
6. One more thing to generate challenges.
7. No instant replay (frequent college instant replay request surrounds shot clock issues).
8. May help the flow of some games.
9. Eliminates strategy employed by some teams.
10. Really takes both teams to stall – now one team does not have to play defense for extended period of time.
11. Potential deterioration of basketball skills.
12. May lose officials as this puts more pressure on officials to monitor one more thing.
13. More conflicts between coaches and officials.
14. Some tables are not equipped for shot clock operators.
15. Promotes quicker play, more action.
16. Associated costs.
17. More zone defenses.
18. Game stoppages at critical juncture of games is possible while officials respond to possible timing errors.
19. Good games may be better, but bad games will be worse.

The Kansas State High School Activities Association serves students by providing leadership for the administration of education based interscholastic activities.

Regional Qualifying Proposal:

3.A Regional Entries

3.A.1 Contestant Event Limitation (No changes)

3.A.2 School Event Entry Limitations (Changes in red)

Schools may submit individual event entries for the girls and boys regional track and field meets as follows:

Class 6A, 5A, and 4A - may enter three (3) entries per individual event **without meeting the qualification standard**;

Class 3A, 2A, and 1A - may enter two (2) entries per individual event without meeting the qualification standard;

All Classes (6A-1A) - may enter **all** athletes per individual event provided all entries in that event from that school have equaled or bettered, in a bona fide interscholastic varsity level competition this season, the qualification standard.

3.A.3 Qualifying Standards (M) (No changes)

Adjusted to the average of the average sixth-place regional finisher for the last five years.

Rationale:

Qualifying standards are based on the past 5 years and have been used at the 3A, 2A, and 1A levels with fidelity and should be extended to the 4A, 5A, and 6A levels as well in order to ensure that the best athletes are able to compete at regionals.

If a student-athlete meets the qualifying standard for regional participation, they should be allowed to compete.

There should not be a limitation on how many student-athletes from a school can participate in a regional competition.

Zero regional events were full this year.

A full event would be 27 participants in 4A-5A-6A. The largest event entry was 24 - still three short of a full event based on criteria. This (24 entries) occurred in only 7 out of 108 possible events. Therefore allowing a 4A-6A school to bring more than 3 qualifiers would not add or create problems for the meet.

In 1A-2A-3A, a full event would be 48 entries. The largest two entries from regionals were 30 and 35 participants. The majority of the events had between 16-18 participants. Therefore allowing a 1A-3A school to bring more than 3 qualifiers would not add or create problems for the meet.

State Qualifying Proposal:

The top three (3) in each regional automatically advance to the state track and field championship. The next best four (4) qualifying times/distances/heights from each regional competition advance to the state track and field championship.

A maximum of 7 competitors/relays from each regional could potentially qualify for the state meet.

In the event of a tie:

1. Ties to be broken based on placement at the regional meet. Ex. - 4th place at Regional meet A would be ahead of 5th place at regional meet B.
2. In the event that a tie cannot be broken (WHAT WAS THE OLD CRITERIA? When they used to do the two best fourth place finishes?)

Rationale:

The top three from each regional would qualify for state, ensuring that the state geographically is well represented. The next 4 best overall, in each regional, would qualify to ensure that the best athletes will be at the state track meet.

Regionals that are highly talented in one event and not the other would be balanced out with additional spots open to the highest qualifying athletes.

Allows for the top three to qualify from all regionals in the event that there is a weather issue at one of the regionals.

Rule change only has an impact on 4th-place finishers from a regional.

All regionals are FAT and live - athletes know if they qualify for state the same day based on the results.

With the change to a 9-lane track in Wichita, this could easily be expanded to include the best 6 from across the state for a total of 18 entries into the state meet.

Volleyball, item 10 (classes 1-3A)

Volleyball Tournament Sub-State Proposal – Classes 1A-DI, 1A- DII, 2A, 3A

Should the KSHSAA split the State into four groups of up to 16 teams, and create two sub-states?

Proposed model:

1. Volleyball seeding would take place on Sunday of SCW #15
2. The group of up to 16 will be established via geography.
3. Once created, the group of 16 is separated into two sub-states based on records, for each group of 16:
 - a. Sub-State A: Seeds 1,4,5,8,9,12,13,16
 - b. Sub-State B Seeds 2,3,6,7,10,11,14,15
4. On Monday or Tuesday of SCW #16, competition within each regional quad all played at the highest seed of each quad (2 courts at each host site if needed):
 - a. Sub-State A - Quad 1: (1, 8, 9, 16)
 - b. Sub-State A - Quad 2: (4, 5, 12, 13)
 - c. Sub-State B - Quad 1: (2, 7, 10, 15)
 - d. Sub-State B - Quad 2: (3, 6, 11, 14)

The top two teams from each quad will advance, using the same criteria used at the state to determine who advances from pool play.

5. Saturday of SCW #16 will be two-4 team brackets with winners advancing to the State Tournament. Matches will be played at the highest seed of each bracket.
 - a. Seeds 1-4 are the Quad winners, ranked in order of overall winning record percentage
 - b. Seeds 5-8 are the quad runner-ups, ranked in order of overall winning record percentage
 - c. Seeds 1, 4, 5, 8 are bracket 1 (winner of the bracket advances to State)
 - d. Seeds 2, 3, 6, 7 are bracket 2 (winner of the bracket advances to State)
