

KAY KLIPS NOVEMBER, 2008

EUREKA KAY Club sponsored a Dodgeball tourney prior to Thanksgiving break. The participants paid \$2 to play on teams of 6 and anyone from the student body wishing to watch & get out of 7th and 8th hour class paid \$1. The activity was a huge success & will become an annual event.

SUBLETTE KAY Club held it's annual Iron Man volleyball tournament which has been going on for approximately 10 years. This activity has been very well received by both students & parents. The charge is \$1 or a box of Kleenex. The tournament not only gives a break from the competition of the football and volleyball seasons but also collects Kleenex for the classrooms which is one of the club's school service projects.
