

April 1, 2009

TO: KAY Sponsors

FROM: Cheryl Gleason, KAY State Director

RE: **KAY STATEWIDE SPONSORS SESSION**
Monday, September 21, 2009

The KSHSAA is pleased to conduct its 5th KAY Statewide Sponsors Session on Monday, September 21, 2009 at Rock Springs 4-H Center. This exciting, motivating activity provides an excellent way to kick-off a new school year of leadership and service and is designed for new as well as experienced sponsors.

Enclosed you will find important information regarding the KAY Statewide Sponsors Session. In addition to this memo, you will find a session brochure, a registration form and an envelope. **I would like for you to hand-deliver the envelope to your principal.** Their letter, signed by the KSHSAA Executive Director and myself, explains why we are providing this activity and asks for their support in allowing you to attend.

As you will note on the brochure, registration will take place April 1 through September 8, 2009. An "Early Bird Special" will allow the first 30 sponsor registrations to save \$10. I hope the early arrival of this information will allow you to make plans to attend and also start making tentative plans for car pooling with others. Also note the lodging available at Rock Springs and the September 8 deadline.

I hope you will be able to join me on September 21st for an activity designed to educate and motivate all sponsors for the important role they have of providing leadership and guidance for their KAY Club.
