

# KAY KLIPS

Stockton High School KAY Club helped raise funds for a student on dialysis.

Derby North MS KAY Club collected 1 million pull tabs for the Ronald McDonald house in Wichita Kansas

The Seneca-Nemaha Central KAY Club made t-shirt bags that they forwarded them to the Kids In Need Foundation in Wichita to be distributed with school supplies to needy kids.

Pike Valley KAYs creative service project turned out to be one of the members favorite activities. The members planned a Spring to Life party. They invited their grandparents and other seniors citizens in the area to a party at the Art Centers on St. Patrick's Day. Members and guests had refreshments, took pictures at the backdrop, and played a variety of card games. Anton Reeves entertained all with his numerous card tricks.

The Nemaha Central KAY Club made 22 school kits and 20 hygiene kits for their Spring Service Project. The kits will be sent to the Orphan Grain Train Organization which distributes medical, hygiene and school supplies to needy people across America and around the world.

KAY members filled a backpack with notebooks, pens, pencils, construction paper, crayons, markers, ruler and protractor to create school kits. Hygiene kits included soap, toothbrush, deodorant, comb, bandaids, and a washcloth rolled and tied inside a bath towel.

Funds to purchase the supplies for the kits were raised through the KAY annual Bake Sale held at the end of February. Over 90 KAY members provided a homemade good for the silent auction. Students and staff were able to bid on items from 8:00 a.m. to 11:00 a.m. At the end of the bidding period, the goods went to the highest bidder. Bidding was fierce and the club raised a record \$1000 from the Bake Sale.

Hoisington HS KAY Club, a first year club is cleaning off the school lockers after school was let out in the spring.
