

KAY KLIPS

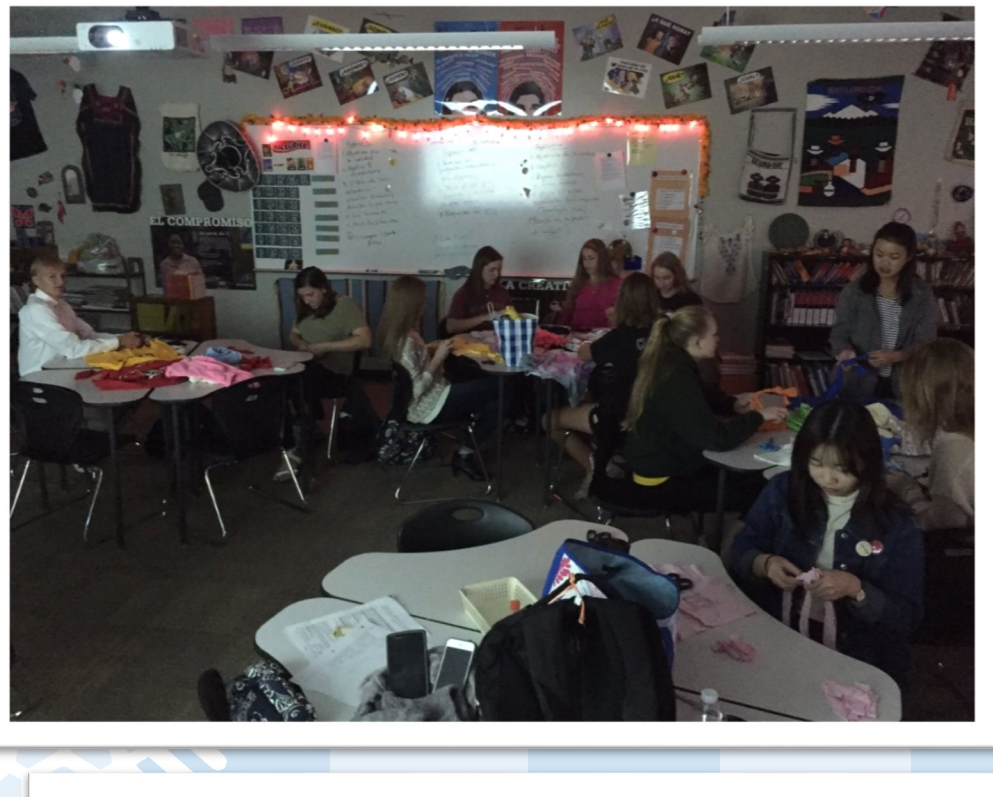

Holcomb High School KAY Club always enjoys sponsoring the Christmas Door Decorating Contest. Many classrooms participate and get into the Holiday Spirit.

The Hoisington High KAY Club held a Santa's Workshop on December 3rd. They invited the kindergarten students to the high school gym on a Saturday morning to shop for their parents and siblings. High School students dressed in Christmas attire, festive hats and had Christmas music playing while the kids shopped. After they were done shopping, the kindergartners and KAY members wrapped the gifts. A great time was had by ALL! The high schoolers are already planning for next year!

The Overland Park-Blue Valley Southwest KAY Club has been busy this past fall with many different projects to include the Night of the Living Farm face-painting volunteering at Deanna Rose, decorating teacher treats, making dog chew toys and recycling.

Six members of the Royal Valley KAY Club helped distribute food at the community center in Hoyt. The food was distributed through Harvesters.
