

Today, EHS supported Autism Awareness Day! The faculty, staff, and students wore blue to help spread awareness for Autism. April 2nd is World Autism Awareness Day. In honor of the day, EHS created the blue ribbon which incorporates puzzle pieces of colors red, blue, light blue, and yellow. The picture was sponsored by K.A.Y. club in efforts with our SMD students and their teacher, Mrs. DeCoster. K. A.Y. Club is sponsored by Kelci Botts.

Martinez and Heydman Speak on "Sexting" with Holcomb High School Students

On Thursday, March 6, Sergeant Steve Martinez of the Finney County Sheriff's Department and Attorney Bill Heydman spoke to Holcomb High School students about "sexting" and using electronic devices responsibly. Both men spoke adamantly about the serious consequences that could ensue if teens did not use common sense when using electronic devices.

The assembly was organized by Holcomb High School KAY members to raise awareness about using electronic devices appropriately.
