

KAY KLIPS

Olathe North's Eagle Service Club participating in some homecoming events: the parade, an ice-breaker game before the parade, and decorating the school with homecoming school spirit with sidewalk chalk.

Students at Southwestern Heights gathered around the flagpole on Wednesday, September 28. This annual event gives students an opportunity to gather together in a united cause to lift up the school, faculty, staff and students at "See you at the Poll."

KAY PACK CHRISTMAS BOXES

Ten members of the Southwestern Heights KAY Club helped to pack 1000 shoe boxes at the Operation Christmas Child packing party.

Six long rows of tables were loaded with notebooks, pencils, pens, crayons, coloring books, toiletries, markers, toothbrushes, socks, shoes, bags, ribbons, tools, and toys. Each row was designated for either a boy or a girl of a certain age. The KAY members walked along packing their boxes and once filled, they wrote a personal note to the child who will eventually get the box.

The theme for the SWH KAY Club this year is: We are here to serve. We are here to inspire. We are here to love. Taking time out of their weekend to pack these boxes fulfilled every aspect of this year's theme!
