

KAY KLIPS

The Erie High School KAY club had a very busy month. The KAY officers attended the Erie City Council Meeting asking the city council to leave the swimming pool filled and to wave the rental fee of the pool since we have two members volunteer to do the life-guarding. They received approval and will sponsor an all school Back to School swim party.

The next picture is the KAY officers who did a bake sale to finish raising funds for a member to go to KAY camp.

Third picture is of the KAY club sponsoring free train rides during our Erie Reunion Week kiddie game night in July.
