BEGINS SOON.

STATUS OF KLC 2021

The KSHSAA is very optimistic that we will be able to conduct KLC this summer. When we receive confirmation that KAY Leadership Camp can be conducted at Rock Springs 4-H Center, clubs will receive brochures, posters and important information regarding registration.

START PROMOTING KLC

As we wait for the information about KLC, clubs are encouraged to start promoting KLC attendance now so you can be ready When it is time to register.

WHAT WILL KLC LOOK LIKE

It is unlikely at this time that KLC will be able to allow 285 campers. We are hopeful that the attendance can be over 50%. We are also waiting for specific guidelines that will be in place. Once info is available we will move forward sharing & opening up camper registrations.
