

BRAINSTORMING IDEAS

2014 KAY UNIT CONFERENCES

“Quick As A Hiccup”

STUDENT ACTIVITY

During January and February 2014, 12 KAY Unit Conferences were conducted across Kansas. At each conference, student delegates participated in a 15 minute activity entitled “Quick As A Hiccup”.

In “Quick As A Hiccup”, KAY delegates were divided into 8 groups (by name tag color). Within these color groups they were divided once again into 4 groups. Each group was given a piece of paper identifying four categories – Senior Citizens, Community Beautification, School Spirit, Appreciation to Others. Each small group was asked to brainstorm activity ideas based on these categories and write them down on the paper given. After 10 minutes the group leaders asked each small group to share a couple of their ideas with the entire color group.

At the end of the activity, the group leaders collected the pages of ideas which were in turn given to the state director. The following pages are a product of this activity.

I hope you will find this information useful and a means to propel you into a strong finish for the 2013-14 school year.
