

KAY KLIPS May, 2012

Independence High & Middle School KAY Clubs go to Joplin, Mo. May 5, 2012. While there the members delivered pop tabs to the Ronald McDonald House, weeded flower beds, pruned rose bushes, cleaned the playroom, and cleaned the playground. The group donated about 175 pounds of pop tabs.

Here is the **Hiawatha High School KAY club** at the beginning of Red Ribbon Spirit Week.

The **Hiawatha High School** KAY Club took part in the Trunk or Treat project that was sponsored by another high school club.

A silent auction to benefit the local memorial fund Missy Newell Memorial, that helps families in the area that are dealing with cancer in their families and two canned food drives in which were both very successful were also on the **Hiawatha High Schools** KAY Club schedule this year.
