

News For You, Area 2!

Virtual KLC

Virtual KLC was a complete success! Thank you to everyone who attended. Even with a pandemic happening the amazing staff of KLC found a way to have camp. I hope everyone enjoyed camp and learned a lot from it. There are recorded sessions on the KAY website that have some amazing information. make sure to go check them out

Regional Conference

Due to COVID, this years regional conference will be virtual. This years RC will be recorded and available [November 1st](#).

Area Project

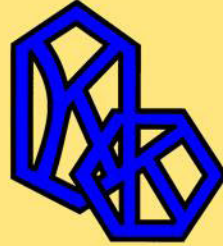

This years area project is increasing the mental health of those restricted by COVID-19. A good example is staying connected with those in nursing facilities. Remember to make a powerpoint slide over the area project. These slides will be put in the RC!

Run For AP!!

I encourage everyone wanting to run for AP to do so. Being an Area President is an extraordinary experience and the things you learn will stay with you through everything you do in life.

Ross's Rewind

School Year Excitement!

After five long months we are finally back in school! Even though we have many rules and regulations to follow, it is exciting to see your friends, every day, in a safe manner. Even better, we are able to plan school and community projects that will help make your school and community a better place! Even though, everyone's school format is a little different, it's important to keep meeting with your KAY club so you can keep making a difference!

KAY CAMP Follow-Up

Virtual KLC was a huge success! I hope that you were able to attend or watch some of the amazing recorded sessions. Each day was action packed with beneficial information. The Area President Session was a huge success and I am so excited about our new Area Project. The Area 3 project is helping those affected by COVID-19. It's a very broad topic and I can't wait to see what each club decides to do!

Area 3 Needs You!

- I strongly encourage you to run for Area President! Here's why...
- It has been an amazing experience and I have grown from it!
- I've met so many new people and learned many new things that I would have never known had I not ran for the position!
- It has benefitted me in so many ways and I believe that it could benefit you!
- Get more information from your sponsor on how to sign up!

Kicking the School Year off Right!

It is so important that you set your club up for success. Goal setting is one of the most important factors in planning your school year. Having the club officer team meet and plan a membership drive is the second thing that your club should accomplish! Finally, deciding which club award your KAY club is going to accomplish is the last thing that needs to be decided so your club can have a TERRIFIC year!

Regional Conference

Due to COVID-19 the Regional Conferences have been moved to a virtual format! The meeting will be an hour and half. The Area 3 Regional Conference will be released on November 16th and your club can view it at any time. Be sure to send in your slide about what your club did for the Area Project to Lindsey at the KSHSAA office! It is very important that your club attends the Regional Conference to obtain all the valuable information that will be shared with you!

A GOOD "DAY" TO BE A KAY!

September Area 4 Newsletter

Emma Day, KAY Area 4 President - 21eday@tregoeagles.com

AREA PRESIDENT

KAY members interested in running for Area President are asked to SIGN UP NO LATER THAN **OCT. 26**.

.....
**MARK YOUR CALENDAR!!
KAY LEADERSHIP CAMP
JULY 26-30, 2021.**

Welcome back kays! I hope you are doing well & adjusting to the new school year. Wether you can meet with your KAY club or not, I encourage you to get as involved as possible! Do your best to stay inspired & serve others even when the going gets tough. Once a KAY, always a KAY!

AREA SERVICE PROJECT

A FOCUS ON SERVING FRONTLINE WORKERS DURING THE COVID-19 PANDEMIC.

Each KAY club is asked to make a slide of their project to share during the November Regional Conferences. Send to levans@kshsaa.org by 11/01.

REGIONAL CONFERENCES

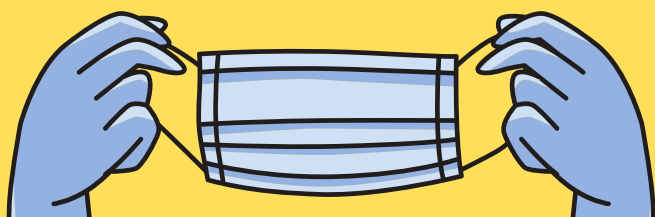

WILL BE PRE-RECORDED.

Regional Conferences will look a little different this year. Each conference will be recorded and made available to clubs from **NOV. 16 - DEC. 18**.

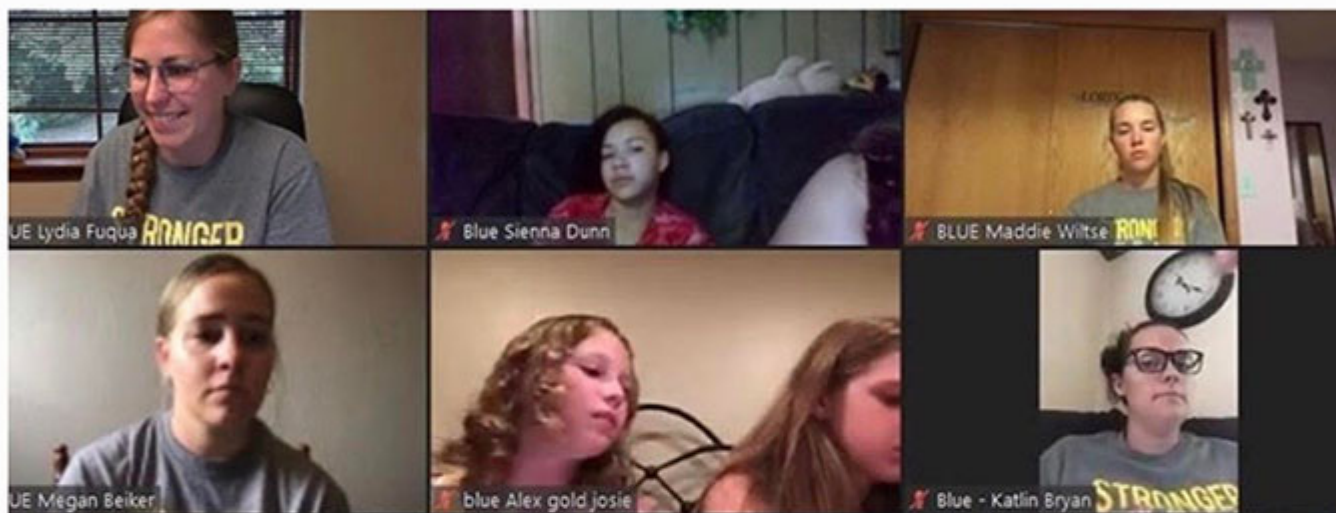

"YOU MAKE A LIFE OUT OF WHAT YOU HAVE, NOT WHAT YOU'RE MISSING."

- Kate Morton

THRIVE IN AREA FIVE

KANSAS ASSOCIATION FOR YOUTH | AREA 5 NEWSLETTER

GOAL SETTING

Even though the world has changed and has affected the way things used to be, doesn't mean we can't fight through it and find new ways to accomplish our goals! No matter when your club starts, get your membership drive started and goal award decided. You guys can do it!

AREA PROJECT

During VKLC I met with all the Area 5 members that attended camp. All the clubs had GREAT ideas for the Area Project. As an area, we decided our project together and this year we are going to help isolated seniors. This includes going to visit them, playing bored games, eating lunch, or even just spending time and talking to them. Since COVID-19 hit a lot of seniors, they haven't been able to enjoy the things they could before. So, bringing them some company would mean a lot to them!

NEW AREA PRESIDENT!

If anyone is interested in running for Area President, talk to your sponsor! I highly encourage to run for Area President, it's a one and a lifetime thing and it gives you many opportunities in KAY club. The best thing about it having a different look out of the club. Talk to your sponsor today!

CAMP FOLLOW-UP

Hello everyone! I hope this newsletter finds you safe and healthy and are getting settled in for the new school year! First I wanna give a big thanks to all the campers who attended VKLC and cooperating through this different type of camp this year. Throughout the 3 days of virtual camp we learned great things about Kay Club and new experiences to give back to our club. We also discussed the 15 recorded sessions to receive 2020 KLC attendance/credit for a KAY Goal Award. If you attended the 3 LIVE sessions-Watch 4 RECORDED sessions, 2 LIVE sessions-Watch 8 RECORDED sessions, attended at 1 LIVE session-Watch 12 RECORDED sessions. Presidents Session is required. The deadline to watch these videos is **September 30, 2020.**

REGIONAL CONFERENCE 2020

The Regional Conference for Area 5 was planned to be in Sublette but, since COVID-19 has affected a lot of events we're are scheduled for a Virtual Regional Conference **November 1.** The conference will be recorded, therefore your club can plan on watching the conference together whenever it is convenient. The conference will be the same as usual. The Regional Conference will include a message from State Director; Announcement of club goal awards. As well as sharing of area project ideas, election of new Area President, and farewell speech from current Area President.

Top Picks for Area Six

September 2020 Edition - Tessa Boesker

REGIONAL CONFERENCE

In order to prevent the spread of Covid-19, and adhere to social distancing guideline, our annual KAY Regional Conferences have been moved online for 2020. The 90 minute sessions will be recorded and available for viewing between November 16-December 18! If you are interested in becoming an Area President, Area President Elections are still taking place at these conferences! I strongly urge clubs to gather and watch the conference together!

MEMBERSHIP DRIVE

While things at your school may look a little different this year, the need for service is constant. Now more than ever, the positive impacts of KAY are desperately needed.

Get creative and find ways to recruit new members! Possible recruitment methods are posters, videos, power points, or in your school announcements! It is important to connect with new members as soon as possible, so get the word out about the wonderful things we do in the Kansas Association for Youth as soon as possible!

AREA PROJECT

During Virtual KLC this summer, Area Six agreed to devote our Area Service Project to showing appreciation to first responders and essential health care workers who are serving their communities in the midst of a pandemic. Ideas could include: an appreciation video, virtual cards, encouraging signs paving the entrances to buildings, etc. Get creative and remember to limit physical goods such as cards or food to prevent the passing of germs and viruses, and avoid close personal contact with those you are serving. I can't wait to see how Area Six can show appreciation!
