

The Kansas Association for Youth (**KAY**) is a character-building, leadership -training, service organization sponsored by the KSHSAA. The **KAY** program is a nationally acclaimed organization unique to Kansas, providing student leaders an opportunity to learn to assume their citizenship responsibility and to enrich their personalities through well-organized programs and projects. Programs educate, inspire and direct members into carefully planned service projects. These projects emphasize four areas of service – school, community, nation, and world.

All boys and girls in grades 7-12 whose schools are members of the KSHSAA may join the **KAY** club in their school. Membership allows these students to experience teamwork & sharpen leadership skills, in addition to building their confidence & self-esteem. In **KAY** students develop an attitude for life regarding leadership and service – an attitude of “we get to” rather than “we have to”.

School activities are an important part of the educational process and will be as good & as sound as those who administer and support them. This educational workshop is intended to assist sponsors in the important role they have of providing leadership and guidance in an activity for Kansas students that is educational, enjoyable and rewarding.

# KAY STATEWIDE SPONSORS SESSION

# "COLOR MY WORLD"

**Monday,  
September 15, 2014**

(@ Rock Springs 4-H Ctr.)

*Sponsored by the Kansas State High School  
Activities Association*

The Kansas State High School Activities Association is pleased to offer this exciting activity, designed for **ALL SPONSORS** to discover the rewards of **SERVICE** in their lives. New, as well as veteran sponsors will benefit a great deal by attending. Session objectives include, but are not limited to:

**Skills** – A sponsor's life is never dull. Through small group sessions sponsors will have the opportunity to share organizational tips, time management skills, and effective tips for multi-tasking and communication.

**Education**—Sponsors will have the opportunity to gain a better understanding about the KAY program —award & point system, leadership training experiences for students, tips for success with projects, etc.

**Recognition** – Sponsors will be recognized for their dedication and service to the KAY program and realize that they have a tremendous opportunity to “make a difference”.

**Vision** – Sponsors will have the opportunity to offer suggestions for possible changes to the KAY program and gain a clear understanding of the foundation and ideals of the KAY program.

**Example** – Sponsors will understand the power of their example for their KAY club. Their enthusiasm and example will play a key role in the club's success or it's failure.
