

## **Ejection Policy**

The KSHSAA staff reviews all ejection reports.

### **Requirements for Ejected Coaches**

Coaches who are ejected from a contest (at all levels grades 7-12) are required to complete the NFHS Teaching and Modeling Behavior course prior to coaching in their next game. (The course fee is \$20 and can be completed in one hour.) The next game is defined as the next regularly scheduled day of competition. In addition, the school administrator is responsible for providing the KSHSAA administrator with a copy of the coach's certificate of completion of the online course. (The coach may print this as the final step on the online course.) Recurring ejections result in a requirement to repeat the course.

### **Requirements for Ejected Players**

Any player ejected from a contest at any level of play (grades 7-12) for unsporting conduct or behavior will be required to successfully complete the free NFHS Sportsmanship Course online, prior to the KSHSAA and school reinstating his/ her eligibility privileges. The school principal or athletic director is responsible for overseeing compliance of this requirement. There is no cost for the course which takes approximately 20 minutes to complete. Schools are not required to submit the student's certificate of completion to the KSHSAA but should retain it on file.

### **Ejection Policy for Player, Coach, Spectator Involving an Official**

Any participant (player, coach, spectator) who is ejected for making contact with an official, who is ejected for unsporting behavior directed toward an official, or who negatively confronts an official following a contest, shall be subject to a non-appealable suspension from the next contest at that level and for all contests at any level (in that activity) until the suspension has been served. Local school leadership may levy additional sanctions as they deem appropriate.

*Note:* the requirement for all ejected students to complete the NFHS Sportsmanship course and the requirement for all ejected coaches to complete the NFHS Teaching and Modeling Behavior course prior to being reinstated remain in effect.
