Registration closes **November 8**. The KSHSAA will email the school A.D. an invoice to be paid upon receipt.

Zoom Invites to each session will be emailed to all registered Advisors on **November 9**.

Presenters: Terri Johnson—Missouri StuCo Executive Director & **Lori Kiblinger**—StuCo Consultant

The Lens of Advising — Parts 1 & 2

How is your 20/20 Vision? Blurry? In focus? Are your glasses all fogged up by COVID? Do you need to MAGNIFY what's important and take a LOOK at what student leaders and advisors need to find purpose, and how they can clarify a VISION for a positive school culture? Then join Terri and Lori for an uplifting time of sharing, networking, and learning! Topics include Building Relationships, Student Council's role in Social/Emotional Practice, Tons of Resources, Adapting in these Challenging Times, Finding Your Why as an Advisor and anything else we can set our SIGHTS on during the workshop! Let's fill up those Advisor Buckets!

Terri Johnson is the Executive Director of the Missouri Association of Student Councils, a position she has held the past 20 years. She retired from public education in 2011, serving as a professional school counselor and student council advisor for 30 years. Terri has served two terms as the President of the National Association of State Student Council Executive Directors. She was inducted into the Missouri Circle of Honor, Missouri Advisor of the Year and was the Earl Reum Award winner in 2016. But she feels her greatest accomplishment is raising three sons, (who all participated in MASC activities), alongside her husband Bruce, a retired superintendent. Her philosophy – “There is a leadership lesson in everything” is the basis of the way she approaches her life!

Lori, the 2019 National Earl Reum Award Winner is a retired educator, administrator, and student council leader from Chanute, Kansas. She has been an educator for 40 years, and as her role has changed throughout the years from teacher, to principal, to district administrator, to consultant/presenter, she has always remained actively involved in student leadership. Kansas StuCo is proud of Lori and appreciative of all she does as an educator, advisor, consultant, and presenter to promote and develop leadership in Kansas.

Facilitator: Rod Garman—KS StuCo Executive Director

Networking Social, Q&A and KS StuCo Update– How about a virtual, evening networking social? Ask questions, discuss and share ideas about StuCo activities during the 2020-21 COVID Pandemic, and get up-to-date with everything KS StuCo.
