

KSHSAA Student Council Regional Conferences

GOING VIRTUAL

Thursday, September 24 | Friday, September 25
Monday, September 28 | Tuesday, September 29

9-11 a.m.

Join us for FULL PLATES. . .CLEAR VISION!

The KSHSAA is pleased to present Lori Kiblinger, the 2019 National Earl Reum Award Winner, as the featured speaker at this year's Virtual Student Council Regional Conferences. Lori is a retired educator, administrator, and student council leader from Chanute, Kansas. She has been an educator for 40 years, and as her role has changed throughout the years from teacher, to principal, to district administrator, to consultant/presenter, she has always remained actively involved in student leadership. Kansas STUCO is proud of Lori and appreciative of all she does as an educator, advisor, consultant, and presenter to promote and develop leadership in Kansas.

During this year's virtual conferences, Lori will present and lead interactive discussions about how it is essential for student leaders to take care of their own mental health, and how to recognize social/emotional skills that promote positive, empathetic contributions to their schools and communities.

Hopefully, schools' councils can be together in the same general area safely during this virtual conference, so student councils can participate in a directed discussion about how they can impact the culture and promote mental health awareness in their own schools.

HIGH SCHOOLS & MIDDLE SCHOOLS

20/20 VISION A LEADERSHIP PERSPECTIVE

Register your school's entire student council for only **\$20**. Registration deadline is **September 21**.

To register: Login to the KSHSAA Website, go to either "Activities" or "Entry Forms" and select form **VSTU-1**.

The KSHSAA will email the school A.D. an invoice. Please pay once the invoice is received.

A Zoom Invite will be emailed to the STUCO Advisor and to the Principal of each registered school a couple days prior to each conference date.

The Zoom capacity for each conference date is 500 slots. We appreciate each school using the fewest possible Zoom slots and participating together as a council if your school can do so safely. Please do not share the Zoom Invite information with others unless your school is not having in-person instruction, and thus, your student council members cannot participate in the virtual conference together. If this is the case for your school, be certain to accurately list the number of Zoom slots needed. It is anticipated each conference date could max out, so be sure and register early.
