

School activities are an important part of the educational curriculum with Student Council providing the core for many school clubs. Successful organizations are made possible by willing, patient and creative advisors.

The Kansas State High School Activities Association is pleased to provide Kansas Student Council Advisors an educational opportunity for professional development. This workshop is intended to assist student council advisors in the important role of providing educational leadership guidance for students which is enjoyable and rewarding.

STUDENT  
COUNCIL  
ADVISORS  
WORKSHOP***

**November 9, 2011**

This workshop is designed for ALL Student Council Advisors to try and "Keep the FIRE Alive" throughout the whole school year. "Rookies" as well as seasoned advisors will benefit by attending.

This year's Advisors Workshop will concentrate on trying to help Advisors set-up and teach Leadership Classes at your school. The sessions will give you the opportunity to gather information and strategies to work with your administration to implement Leadership curriculum into the daily schedules at your school districts.

Additionally there will be presentations on what curriculum can be taught in Leadership classes and why. Also resources to encourage your students to become leaders and information on the benefits of leadership.
