5. Only KSHSAA registered umpires may be used by member schools in varsity games. The online officials directory has the most recent list of registered umpires.

Coach's Uniform

1. Rule 3-2-1. One player or coach may occupy each coach's box while his team is at bat. While occupying a coach's box, he shall be in the uniform of his team.

Umpire Information

1. Missed Meetings – Any umpire who missed the KSHSAA sponsored rules meeting or area supervisor meeting as a result of an emergency may request consideration from the KSHSAA to make up the meeting. This request must be submitted in writing to the KSHSAA within one week of the missed meeting. Each case will be evaluated on its individual merits. This option does not apply to a new umpire registering for the first time.
2. Umpire's Uniform
Umpires must wear a cap, gray slacks, NFHS approved navy blue or black pullover shirt. Black or navy blue pullovers may be worn for postseason play. No matter which pullover is worn, all umpires must match.
Caps with the white KSHSAA embroidery are available from the following vendors:
 - o All Season Sportswear – allseasonsportswear.com
 - o Hi-Tech Embroidery, Holcomb – hi-techembroidery.com
3. The assignment of umpires for state championship tournaments will be based on the recommendations sent to the KSHSAA by member schools and the umpire meeting the following standards:
 - a. 90% or better score on the “open book” examination.
 - b. Attendance at one of the KSHSAA sponsored rules meetings.
 - c. Attendance at one area supervisor meeting.
 - d. Number of recommendations by member schools.**Umpires should provide coaches with a card indicating their name and home town. Umpires should not solicit recommendations from member schools.**
4. Applications for postseason assignments are due on May 5, 2017 to the KSHSAA office.

State Association Adopted Rules

1. Refer to the KSHSAA Baseball/Softball Manual for additional information.
2. **Regulation Games** – Refer to Section 2.F of the KSHSAA Baseball/Softball Manual concerning provisions as to what constitutes a regulation game and Section 2.G on the procedure for ending a regulation game.
3. **Suspended Games** – By KSHSAA adoption, a game called for any reason(s), where a winner cannot be determined, or any game called at any time for mechanical failure (i.e. artificial lights fail, water system breaks, etc.) will be treated as a suspended game. If the game is to be completed, it will be continued from the point of suspension, with the lineup and batting order the same as they were at the moment of suspension, subject to the rules of the game.
4. **Courtesy Runners** – A courtesy runner may be used for pitchers and/or catchers in baseball. Entering the contest as a courtesy runner counts as one of the 26 allowable contests. A player entering the game as a pinch hitter, pinch runner or courtesy runner counts as a game played, even if they were in the game for one at bat, one out etc.
5. **Inclement Weather** – The recommended procedure for inclement weather can be found in the Baseball/Softball Manual. The safety of athletes, spectators, coaches, school personnel and all others present at an athletic contest must be the first and foremost concern to the contest management and umpires. Review these procedures prior to every contest and anytime threatening weather conditions appear or are forecasted.
6. If a coach is ejected they are to leave the vicinity of the playing field. The coach may not be in the dugout or go sit in the stands. If it is the first game of a double header, they may return for the second game providing the school and/or league policy provide for their return. The KSHSAA does not prohibit them from returning for the second game.

If a player is ejected, they must stay in the dugout and the coach is to supervise him. If they continue to be a problem, a school administrator or an assistant coach should take the player outside the dugout and away from the vicinity of the field to supervise him. If no administrator is available, the coach would have to escort the player from the dugout and away from the field. If there is no other coach to coach the team the game would be forfeited.
