MINUTES

Note: Minutes are subject to approval by the Board at its next meeting.

Executive Board Meeting
KSHSAA Board Room
Tuesday, September 14, 2021
Wednesday, September 15, 2021

The Executive Board met in the office of the Kansas State High School Activities Association on Tuesday and Wednesday, September 14-15, 2021, with the following in attendance: President Roger Perkins, Tim Bumgarner, Matt Garber, Shannon Haydock, Mike Kastle, Tammie Romstad, Greg Rosenhagen, Catherine Smtih, Drew Thon, Linda Wiley and Bill Faflick, Executive Director. Assistant Executive Directors Cheryl Gleason, Francine Martin, Mark Lentz, Jeremy Holaday, Craig Manteuffel, Rod Garman, Annie Diederich and Office/Operations Manager Brent Unruh were also present. Member Deena Horst was absent due to conflict with the Kansas State Board of Education meeting.

CONSENT AGENDA ITEMS

The following items were all approved unanimously via consent:

- Minutes of the June 16-17, 2021 Executive Board Meeting.
- Items approved by KSHSAA staff on behalf of the Executive Board. ***(A list of these items may be found at the end of these minutes.)***

ADMINISTRATIVE REPORTS AND UPDATES

The Board received financial and administrative reports from Executive Director Bill Faflick, Assistant Executive Directors Francine Martin, Mark Lentz, Jeremy Holaday, Craig Manteuffel, Rod Garman, Annie Diederich and Office/Operations Manager Brent Unruh.

2020-21 AUDIT REPORT APPROVED

Staff presented the Executive Board with the annual certified audit report prepared by Wendling, Noe, Nelson, & Johnson L.L.C. of Topeka. Eric Otting, CPA, represented the accounting firm by providing a review of the clean audit and the Board voted unanimously to approve the audit report. The report will be printed in the next issue of the KSHSAA Activities Journal.

ELIGIBILITY HEARINGS HELD

Three separate eligibility cases applied for a hearing with the Executive Board in order to appeal their original ruling:

- A student from Bird City-Cheylin High School was granted limited eligibility under Handbook **Rule 18, Transfer**. Specifically, per detail outlined in **18-1-6**, eligibility was granted for junior varsity level volleyball as well as varsity level for basketball and track and field following her transfer from Atwood-Rawlins County High School. The student and family believe the transfer fell under the requirements for a hardship per **18-1-13** and asked the Executive Board to review the original determination. Following a review and hearing with the student and schools involved, the Executive Board determined the Executive Director followed the correct procedure when upholding the limited eligibility transfer request. The student remains approved for the junior varsity level in volleyball for the 2021 season.
- A student from Cottonwood Falls-Chase County High School applied for and was denied eligibility under Handbook **Rule 18, Transfer**. The former school, Allen-Northern Heights High School denied the requested limited eligibility, **18-1-6**, transfer based on their belief the move was athletically motivated. The student and family asked the Executive Board to review the original determination. Following a review and hearing with the family and schools involved, the Executive Board determined the previous school should not have withheld eligibility at all levels. Accordingly, the Executive Board approved the student for participation at the sub-varsity level in football, basketball and baseball during the 2021-22 school year.
- A student from Plainville High School initially asked for eligibility under Handbook **Rule 18, Transfer** based on a bonafide move. The former school, Stockton High School, denied the original request as the move had not yet taken place due to issues with the housing market and they believed there was some athletic motivation behind the change of schools. A limited eligibility, **18-1-6**, transfer request was then approved for junior varsity status in cross country, basketball and track and field for the 2021-22 school year. After this request was approved, a new bonafide move request was made but again denied by the former school. The family then asked the Executive Board to determine if a bonafide move was made so as to approve full varsity eligibility. Following a review and hearing with the family and schools involved, the Executive Board determined a bona fide move had been made and granted full varsity eligibility to the student.

KSHSAA COVERED

The Board received a report from Assistant Executive Director Jeremy Holaday on the initiative “KSHSAA Covered”. Through a partnership with Capitol Federal Savings Bank, the KSHSAA has hired four staff writers across the state to create content on all the activities the KSHSAA sponsors. Stories will feature all students, coaches/sponsors, adjudicators, and school communities. Stories and images will reflect the diversity of Kansas and the diversity activities offered with a focus on competition, performance, leadership, human interest, and lessons learned through participation in the interscholastic activity program. The four writers are Brent Maycock, Scott Paske, Mac Moore, and Rickie Peterson, Jr.

Board members were also provided an update on the student scholarship program made possible through the partnership with Capitol Federal. As part of the True Blue Scholarship Program, the KSHSAA is preparing to honor students across the state with scholarships based on the criteria of academic achievement (30%), community service (30%), activity achievement (15%), breadth of school activity participation (10%), and financial need (15%). One senior student in each of the 34 activities administered by the KSHSAA will receive a \$2,000 scholarship to support their efforts at the post-secondary institution of their choice.

NFHS SUMMER MEETING

Staff and members of the board who were in attendance (virtual and in-person) at the NFHS Summer Meeting held June 28-July 2 discussed their learning and networking experiences realized as part of engaging in this professional development opportunity. Important topics discussed included student health and safety, legal updates, emerging activities, enhancing championship events, board leadership, staff culture, officiating, implicit bias, and many more topics.

OFFICIALS' UNIFORMS

Assistant Executive Director Fran Martin requested permission from the Board to expand the selection of official uniform shirt colors in the activity of softball. The KSHSAA utilizes guidance from the NFHS relative to uniforms for officials while attempting to minimize costs for officials. Starting this spring, softball umpires may utilize the navy-blue option in addition to the approved powder blue shirt. For this fall, volleyball officials have only white as the approved shirt color. The NFHS has just approved gray or bright blue and staff will review options based upon input from stakeholders after this season concludes.

WESKAN MEMBERSHIP STATUS

Due to inability to enter into a cooperative agreement with non-member schools, Weskan High School and Middle School have withdrawn their membership from the KSHSAA for the 2021-22 school year. Staff asked the Board for input regarding the possible inclusion of Weskan High School as part of the district football assignment process for the upcoming 2022 and 2023 season cycle if they indicate they will return to membership for next school year. Following discussion, the Board agreed to allow Weskan to be classified as long as they request membership for the 2022-23 school year in writing prior to the classification date for the upcoming cycle (September 20, 2021). (Note: subsequent to the meeting, Weskan USD 242 informed the KSHSAA that they will not pursue classification for football in the upcoming cycle).

EXECUTIVE SESSION HELD

Following a motion and second, an executive session was held for a period of 10 minutes beginning at 8:30 a.m. on Wednesday, September 15. The purpose was to discuss personnel matters relative to transition and amended job descriptions. Following Executive Session, the Executive Board voted unanimously to reclassify the bookkeeping position to the status of financial manager.

UNIFIED BOWLING UPDATE

Following an update on the upcoming season for Unified Bowling, the Executive Board was presented with a request for the use of a ramp for bowlers during the season. The ramp use would be for bowlers when physical conditions warrant (consistent with historic protocol already utilized for interscholastic bowling) and allows for wheelchair or prone bowlers to participate in the game. The ramp is placed at the front of the lane and lined up for a direct path to the pins. The bowler would be responsible for aligning the ramp and initiating the attempt by applying a slight push to the ball to send it rolling down the alley. Following discussion, the Board approved the use of ramps during the regular and postseason for Unified Bowling.

STUDENT NAME, IMAGE, AND LIKENESS QUESTIONS

Staff provided an update on Name, Image, and Likeness questions the KSHSAA office is receiving in wake of changes to NCAA rules for amateurism and how Handbook **Rule 21 Amateur** applies to Kansas students. The Board discussed and provided guidance relative to specific application of this rule. Further study of possible high school changes was requested from staff and will be provided at a future meeting.

BOARD OF DIRECTORS MEETING PREVIEW

The Executive Board reviewed the agenda and the breakout orientation session leadership for the upcoming Board of Directors meeting. Discussion was held on possible rule revisions that may be introduced from the floor during the Board of Directors meeting. These items were brought to the attention of the KSHSAA staff after the agenda cutoff date and involve remedy for different eligibility requirements following the COVID pandemic during the 2020-21 school year.

KOREY STRINGER INSTITUTE INFORMATION

Staff members reported on an opportunity for members of the KSHSAA Sports Medicine Advisory Committee to attend a workshop hosted by the Korey Stringer Institute. Discussion was held on the historical work of the KSI and potential next steps regarding student health and safety issues. Follow up discussion will occur at the fall meeting of the KSHSAA SMAC.

VOLLEYBALL

A request was made to provide a review and possible modification regarding beach volleyball and interscholastic volleyball. Specifically, staff was seeking approval to consider 2-on-2 beach volleyball as a different activity than interscholastic volleyball. Following research and a presentation by Assistant Executive Director Annie Diederich, the Board reviewed differences between the two activities that leads staff to believe they are not similar enough to constitute a violation to **Rule 22 Outside Competition**. Following discussion, the Board determined a student participating in 2-on-2 beach volleyball is not in a violation of Rule 22 if they do so during the high school volleyball season. (It is important to note, the 2-on-2 beach volleyball activity is not the same as traditional sand volleyball).

STATE CROSS COUNTRY TICKET PRICES

The 2020-21 cross country season introduced new policies for state event attendance procedures due to the COVID-19 pandemic. Following a review of the benefits and disadvantages of these procedures, staff requested the Board amend the price for onsite ticket purchases versus digital advance ticket purchases. Following discussion, the Board approved on-site ticket purchases to be \$10 for all spectators at all state cross country sites. Advance digital purchase tickets remain at the established student and adult prices of \$6 and \$9 respectively. It is noted, digital ticket provider GoFan has developed a ticket which may be downloaded so as to eliminate the concern of intermittent mobile phone service at some sites.

WINTER RULES MEETINGS

Staff reviewed the upcoming schedule for winter activity rules meetings. Those meetings will continue to be required for all officials as in-person meetings. Coaches are encouraged to attend the in-person meetings, but they may utilize the online version to satisfy their rules meeting requirement. Staff will communicate local masking or attendance policies as they become available in advance of designated meetings.

REGIONAL ADMINISTRATOR AND BOARD OF EDUCATION MEETINGS

Staff reviewed the protocol for the October Regional Administrator and Board of Education meetings. These meetings will be held throughout the state during the month of October. The dates for these meetings and the topics to be discussed are as follows:

Meeting Dates

Monday, October 18, 2021	Topeka-KSHSAA Office
Tuesday, October 19, 2021	Salina-Smoky Hill Education Service Center
Wednesday, October 20, 2021	Oakley High School
Thursday, October 21, 2021	Dodge City District Office
Monday, October 25, 2021	Blue Valley-USD 229 Hilltop Facility
Tuesday, October 26, 2021	Maize High School
Wednesday, October 27, 2021	Fort Scott High School

Meeting Topics

1. **(Basketball Girls and Boys-Classes 6A, 5A, 4A)** Should the KSHSAA change their tie-breaking procedure for postseason basketball to reflect a point differential per game (maxing out at 15 p.p.g.) as opposed to the current model which only relies on defensive points allowed?
2. **(Basketball Girls and Boys)** Should the KSHSAA adopt a shot clock per NFHS rule amendment beginning with the 2022-23 school year?
3. **(Golf Girls and Boys)** Should the KSHSAA allow student athletes that participate in golf to participate in one outside competition, approved by KSHSAA, during the school season?
4. **(General)** Should the KSHSAA allow students participating in any quasi-team activity the opportunity to participate in one outside competition, approved by the KSHSAA, in the same activity during the time they are on the school team in that activity?
5. **(General)** Should the KSHSAA utilize a classification multiplier as developed by the 2021 KSHSAA Public/Private Work Group?

2021-22 BUDGET APPROVED

Following a hearing held on Wednesday, September 15, 2021 at 11:30 a.m. in the office of the KSHSAA, the Executive Board unanimously approved the KSHSAA budget for the 2021-22 school year and authorized its publication and distribution to member schools.

Details concerning each of the charts of accounts listed are available upon request. A summary of the approved budget will be included in the next issue of the KSHSAA Activities Journal.

NEXT MEETING

The next regularly scheduled meeting of the Executive Board will be held on:

Wednesday, November 17 – 10 a.m. – 5 p.m.

Thursday, November 18 – 8:30 a.m. – 1 p.m.
