# Topics for Discussion

## General

1. Does your school support granting eligibility for home-schooled students residing within your district boundaries?

*\*Note:* Home school in this question is interpreted as students taking all classes at their home and not taking five (5) credits or more at a KSHSAA member school.

**YES** \_\_\_\_\_ **NO** \_\_\_\_\_

*Proposed by KSHSAA Executive Board*

2. If homeschool student eligibility for KSHSAA activities is established by enactment of state statute, what criteria should be used to verify and determine eligibility of home-schooled students?

*\*Note:* Substitute for Senate Bill #60 passed the Senate last session and was tabled by the House Education Committee last March.

*Proposed by KSHSAA Executive Board*

3. Should rule references to “coaches’ one-week summer team camps” in KSHSAA Handbook Rules be revised since the summer coaching rules have changed in recent years and coaches now have greater flexibility in their coach organized summer activities (e.g. summer leagues, open gyms, workouts, skills development, etc.)?

**YES** \_\_\_\_\_ **NO** \_\_\_\_\_

*Proposed by KSHSAA Executive Board*

4. Given the growing concerns for overtraining/overuse injuries, expense and time demands on students and coaches, should the number of contact days for coaches to work with athletes in the summer (currently an 8-week period) be reduced?

**YES** \_\_\_\_\_ **NO** \_\_\_\_\_

*Proposed by KSHSAA Executive Board*

## Football (8-Man & 2-1A Football Schools Only)

5. Should the 100 student enrollment limit in 8-man football be changed?
