### General Information

- Tobacco and Chemical Use is Prohibited** — The Executive Board's policy regarding tobacco products and other chemical use prohibits coaches, directors, sponsors, coaches aides and contest officials from using tobacco products including Electronic Nicotine Delivery Systems (ENDS), alcoholic beverages or illegal drugs while directly involved in interscholastic activities.
- Extreme heat conditions per **Rule 5-3-2e**: The referee should stop play for water breaks. **Rule 7-1-1** and **7-1-2** provide contingencies for games conducted under extremely hot conditions.
- All varsity contests, tournament or regular season, must be of regulation length in compliance with KSHSAA **Rule 1** and **Rule 7-1-1** of the National Federation Soccer Rules.

#### 4. Suspended game defined:

**Rule 7-1-3:** In the event a game must be suspended because of conditions which make it impossible to continue play, the head referee shall declare it an **official game if one complete half or more of the game has been played**. If less than one-half of the game has been played, the game will restart from **the suspension of play according to state association adoption**. The KSHSAA Executive Board has the interpretation in all activities that the game will be **restarted from the suspension of play**. If games cannot be made up due to conflict in schedules, by mutual agreement, the game is canceled.

5. The KSHSAA has adopted a goal differential whereby at the end of the first half, if one team has **gained a 10-goal difference** or if it achieves such a differential during the second half, the game shall be terminated.
6. **Overtime procedure for regular-season play:** When the score is tied at the end of regulation the following procedure will be used: two sudden victory 10-minute, overtime periods; if tie remains, the game ends in a tie.
7. **Overtime procedure for postseason:** When the score is tied at the end of regulation the following procedure will be used: two 10-minute, sudden victory periods; if tie remains, two 5-minute sudden victory periods; if tie remains, penalty kicks.
8. The **KSHSAA REQUIRES** the use of a **scorer's table** and **scorebook** at all soccer matches to enhance proper game administration.
9. Rule 1-5-1 requires marked areas for each team's bench, separated by an official area for entering substitutes, scores and timers. These marked areas shall be at least 10 feet from the touchline. The state association shall be notified if team areas are not marked.
10. **Rule 1-6-1** requires spectator areas to be 10 feet from touchlines, team areas and goal lines. **No one shall be permitted directly behind either goal.**
11. A *2022-23 KSHSAA Soccer Manual* will be mailed to you in the near future. Study it carefully. For additional information, watch for articles/announcements in the *KSHSAA Activities Journal* and on the KSHSAA Soccer website.
12. **SOCCER QUESTIONNAIRE**  
NFHS Questionnaires are now done online. All coaches and officials will receive an email with the link.

## NFHSLEARN.COM – Free Courses

Check out all the online courses available from *NFHSLEARN.COM*. Over 50 courses are FREE including soccer officiating courses: Fouls & Misconduct, Offside Rule and Pregame Conference. Some of the other FREE course topics are Implicit Bias, The Collapsed Athlete, ACL Injury Prevention, Student Mental Health and Suicide Prevention, Heat Illness Prevention, Social Media, Understanding Vaping & E-Cigarettes, Sports Nutrition, Concussion in Sports, Engaging Effectively with Parents, and Captains Course.

## Sportsmanship

The KSHSAA places top priority on sportsmanship! It is imperative that soccer coaches and officials willingly accept the responsibility of being positive role models. The ethics, integrity and sportsmanship exhibited by these adults have a profound effect on the young people who participate. **PLEASE BE POSITIVE and PROFESSIONAL!**

## Coaches/School Information

12. **COACHES**—All senior high varsity head coaches must successfully complete Soccer Test, Part I, and score 90% or better. Those coaches who do not receive a score of 90% or better must take the KSHSAA Test II. If they do not take and pass the KSHSAA Test II, their school's name will be published in the *Activities Journal*. **Any school whose boys head coach does not complete the online exam by August 25, 2022, will be assessed a \$100 penalty fee. It is also mandatory that all head coaches complete an online or in-person rules meeting during the indicated timeframe. The penalty fee for not completing a rules meeting by the due date will result in a \$100 fine as well!**  
**PLEASE NOTE:** There will be an additional timeframe for high school girls and middle school head coaches **ONLY** who were unable to complete the requirements in the fall. **Any school whose high school girls head coach or middle school head coach does not complete the online exam and complete the online rules meeting during the period of November 30, 2022, through March 14, 2023 will be assessed a penalty of \$100 for each missed requirement.**
13. The KSHSAA encourages schools and coaches to implement the use of preseason meetings for athletes, parents and coaches. These meetings are an opportune time to discuss mutual expectations with regard to training rules, nutrition, scheduling, **recruiting officials** and other administrative information. *NFHSLearn.com* offers REE brief but informative parent videos including, "The Parent Seat" and "Beyond the Scoreboard."
14. Coaches are ambassadors of high school activity programs in their communities. The KSHSAA encourages you to seek opportunities to promote the value of participation in these educational programs to the youth and patrons in your communities.

15. **School administrators or their designee (certified staff member other than the coach) must be in attendance for the entire contest for purposes of game administration and supervision. Please see the *Soccer Manual* for information about the KSHSAA Pre-Activity Timeout.**
16. Schools' attention is called to the Guidelines for Supervision of Interscholastic Athletic Events as published in the *KSHSAA Soccer Manual*. The host school should provide adult chaperons or security personnel to escort officials to and from their dressing facilities and from the field following the conclusion of the match.
17. Schools are to use their **Form S** to report to the KSHSAA office. We not only want to know about negative incidents involving players, coaches, officials and spectators, but we would also like to receive positive comments.
18. **Officials Recommendation Forms**, found on the KSHSAA website, should be submitted to the KSHSAA the week before the regional tournament. Please list at least five (5) to ten (10) officials. **Failure to submit officials' names will result in a \$50 fine to member schools.**
19. **KSHSAA Rule 52: Citizenship/Sportsmanship** — Interscholastic activities are an important aspect of the total educational process in Kansas secondary schools. Coaches, officials, administrators, participants and fans have an equal responsibility to model good sportsmanship and citizenship to all who play and watch the game of soccer. Special emphasis must be given to the National Federation **Soccer Rules 12-8-1** and **12-8-2** as they relate to conduct of players, coaches and bench personnel. Proper conduct at all soccer contests is the joint responsibility of coaches, players, officials and school administrators.
20. Prior to the first practice, coaches should be knowledgeable of **Rule 38** in the *KSHSAA Handbook*. This rule explains the **number of contests and halves per day in which a player may participate.**
21. Coaches are reminded it is your responsibility to enforce the **Bona Fide Student Rule 14** in the *KSHSAA Handbook*, which includes player ineligibility for using tobacco products including Electronic Nicotine Delivery Systems (ENDS), alcoholic beverages or illegal drugs at school events. **It is also your responsibility to make sure your athletes are eligible.** Check physical examination/parental consent records and review *KSHSAA Eligibility Checklists*.
22. Schools may not hold **interschool scrimmages** in soccer. Alumni scrimmages are permitted provided no score is kept and no clock used. If either of these elements is present, the activity counts as one of the school's allowed competitions. Officials can be used in alumni scrimmages. Intrasquad games among teammates do not count as scrimmages or games.
23. Coaches should be aware of the fact they may not be involved in any capacity with All-Star contests during the school year. Consult *KSHSAA Handbook Rule 24* and your athletic administrator for further information.
24. A member school may not film any school's contest if they are not a participant without written permission from the involved schools' principals in advance of the contest.
25. **KSHSAA Rule 10** — Only certified coaches (certified in compliance with standards established by the State Board of Education) or coaches aides (through application and approval from the KSHSAA) are allowed to work with teams. **No outsiders or volunteers may coach or assist** with any coaching duties. If your school district has employed coaches or coaches aides who are not members of your teaching staff, be sure to make them aware of KSHSAA rules and regulations.
26. Scholastic Achievement Award Certificates for academically qualified teams may be requested by contacting your athletic director.
27. Coaches should familiarize themselves with the following *KSHSAA Handbook Rules* (found online at [www.kshsaa.org](http://www.kshsaa.org)) and their ramifications for the actions of their athletes and themselves:

<b>Rule 38</b> — Soccer	<b>Rule 22</b> — Outside Competition
<b>Rule 30</b> — Seasons of Activities	<b>Rule 21</b> — Amateur
<b>Rule 28</b> — Music Festivals and Athletics	<b>Rule 20</b> — Awards
<b>Rule 26</b> — Anti-Tryout and Private Instruction	<b>Rule 19</b> — Undue Influence

## Outside Competition Rule Updated To Reflect Calendar

At the Fall 2019 KSHSAA Board of Directors Meeting it was unanimously approved to modify Rule 22, Outside Competition, Section 1, Article 1 as follows: A student who is a member of a school athletic, scholars bowl or debate squad effective ~~Tuesday following Labor Day~~ **Monday SCW #7** through Friday preceding Memorial Day may not participate as a member of an outside team or as an independent competitor in the same sport, scholars bowl or debate activity. (Exception: See Rule 4, United States Olympic Committee-Sponsored National Trials and Competitions.) Therefore, once a student begins practice with a school team (fall practices may begin Monday, August 15 this school year), the student may not play on an outside/club team. **This is a change for boys soccer athletes who in the past could continue playing on an outside/club team through the Tuesday after Labor Day even though they may have begun practicing with their school team.**

## Officials Information

29. **OFFICIALS** — Officials' examinations may be "open-book" and worked in groups. All tests **MUST** be done online before **August 25** to avoid being placed on probation or suspension.
30. The **assignment of officials for the state tournament** will be based on the schools' recommendations of officials they have seen work this year, and:
- scored 90% or above on the open-book examination; and
  - attended a KSHSAA soccer rules meeting; and
  - completed/submitted a postseason application.
31. **Only those officials registered with the KSHSAA may be used by member schools in varsity soccer competition.** It is recommended registered officials be used for non-varsity competition as well. Registration includes taking an open-book rules test and attending a KSHSAA soccer rules meeting. **In varsity contests, the KSHSAA requires the use of the three-person diagonal system of officiating insofar as possible.**
- A two-person system is acceptable only under unique circumstances when three officials are unavailable for varsity competition.
32. **Game contracts** should be in writing, clearly setting forth the dates, financial arrangements and terms. Such businesslike procedures avoid misunderstandings and are appreciated by schools and officials. It is advisable to confirm dates at least one week prior to the game with the contest manager. **An official's word is his/her bond.** Once given, verbally or by formal contract, he/she will be present regardless of possible inconvenience or financial loss. He/she will never give up one contract to accept another better paying assignment. If contracts are broken by schools or officials, the KSHSAA should be notified.
33. Recruiting new officials and providing them with opportunities to gain experience is a responsibility shared by all of us. Please encourage young people with an interest in sports and youth to become registered as KSHSAA officials.
34. The KSHSAA strongly recommends communication between officials and schools prior to each contest. Schools should inform officials as to where to park, proper entrance, location of dressing facility, etc. Officials should confirm their arrival time, who is driving, etc. This type of communication acts as a reminder to officials and schools and eliminates possible problems.
35. The KSHSAA recommends officials give a card to each coach prior to the first match. The card should list the date, the two schools participating and the names of each official. These cards will be helpful to coaches when it is time to make recommendations for postseason playoff officials. Card templates can be found under forms on the KSHSAA Officials webpage.
36. **Officials are required to conduct a pregame conference prior to each contest.** (See official pregame conference format in *KSHSAA Soccer Manual*.)
37. Prior to each contest, when officials talk with coaches concerning game procedures, all conversations should be **in the presence of both coaches.** This same policy should be followed at halftime in the event there are any questions.
38. An official should always **have access to a rules book and manual** for reference and use in the dressing room. A pregame conference between all officials helps to minimize challenges during the game. Please see Pregame Discussion Guide.
39. **Officials shall dress** according to the code of dress outlined in the *Soccer Rules Book* and should have the *Soccer Rules Book* available for reference at the site. The official's uniform shall consist of:
- Officials shirt (all the same color)
  - Black shorts or long trousers
  - Black shoes and socks, or black stockings with white tops
  - Two whistles, yellow card, red card, stopwatch, flipping coin, pencil and score card
  - A solid black cap, if worn
  - In the event of a color conflict between the officials and either team, the officials must change to a jersey of a color distinct from both teams. Any color is approved as long as all officials are dressed alike.
  - The KSHSAA does allow officials to use electronic communication devices.
40. Officials **must** report unsportsmanlike conduct by players, coaches or fans which distracts from an educational environment. Please report on positive or rewarding experiences as well. **The Official's Report of Unusual Situations may be accessed under "Forms" once logged in as an official on the KSHSAA website ([www.kshsaa.org](http://www.kshsaa.org)).**

## Required Pregame Officials Conference

Per National Federation Soccer Rule 5-2 and by recommendation of the KSHSAA, soccer officials shall be in uniform at the site of the game no less than 15 minutes prior to game time, and a formal pregame conference will be held at the location of the halfway line (the scorer's table). The pregame conference shall be conducted by the head referee and shall include the following items:

- A. Inspect and approve the game balls, field of play and nets; inquire about local ground rules and determine if a fair game may be started.
- B. Verify the line judges, ball holders, official scorer and timers.
- C. Review specific duties with scorer, timer and line judges.
- D. Examine the uniform and equipment of each player to see if it complies with the rules.
- E. Discuss the KSHSAA inclement weather policy for postponements of contests (*refer to KSHSAA Soccer Manual*).
- F. Review of proper signals to be used by soccer officials.
- G. Positioning of soccer officials throughout the contest.
- H. Proper communication among officials during the contest.
- I. Points of emphasis from state association rules.
- J. Exiting field and location to meet escort postgame (*officials exit field immediately*).
- K. Set plays (*wall, goal kicks, penalty kicks, corner kicks*).
- L. Conduct a pregame conference with each school's head coach and captain to:
  1. Review pertinent rules.
  2. Address fair play and good sportsmanship. Clarify your expectations for competitive and fair play.
  3. Conduct a coin toss at least five minutes before the scheduled time of the game. The visiting team captain shall call the coin while it is in the air. The winner of the toss shall choose a goal to defend or kick off first. Loser of the toss shall be given the remaining choice.
  4. Inquire of each head coach whether each of his/her players will be properly and legally equipped at the kickoff. Any questions regarding legality of a player's equipment shall be determined by the head referee, or the center referee.
- M. The referee or line judges shall:
  1. Assist the head referee in inspecting the game balls, field of play, nets, players' uniforms and equipment.
  2. Review duties and responsibilities with ball holders.
  3. Assist with the pregame conference with team captains.

***The KSHSAA requires schools provide a scorer's table and an official soccer scorebook to facilitate proper administration of soccer contests.***

## 2022-23 Rules Changes

**4-2-2:** The change clarifies that hair adornments, such as beads, may be worn in the hair if they are secured to the head and do not present a risk of injury to the player, teammates or opponents.

**Rationale:** Clarifies that hair adornments can be worn in the hair if they do not endanger other players as well as being more inclusive of participants' cultural and religious beliefs.

**7-1-3:** State association may adopt procedures to require the game be played in its entirety.

**Rationale:** This allows states that may require the game to be played in its entirety (for post-season or regular season seeding play), to do so without a conflict with the current rule.

**10-1-2f, 10-1-1, 10-1-3h (NEW):** Clarifies that a player cannot score by throwing the ball into the goal.

**Rationale:** Defined the outcomes on a goalkeeper's throw when throwing the ball directly or own goal.

**12-2, 11-1-1. 18-1-1s (NEW):** Clarifies the upper boundary of the arm is in line with the bottom of the armpit.

**Rationale:** Defines the arm for the purposes of determining handling and offside.

**14-1 Penalty:** Defines that an indirect free kick is awarded the defending team for an improper penalty kick.

**Rationale:** Penalizes the kicking team for not kicking the ball forward on penalty kick.

**17-1-2:** Defines proper distance for the opposing team from a corner kick restart.

**Rationale:** Clarifies the proper distance for the opposing team on a corner kick.

# NFHS Points of Emphasis

## Sportsmanship

Good sporting behavior is one of the fundamental ingredients to the continued success and enjoyment of education-based high school sports and activities. In fact, in the 103-year history of organized high school sports in the United States, good sportsmanship has been one of the most important outcomes of high school activity programs.

NFHS playing rules are written to encourage sportsmanship. Participation in these programs should promote respect, integrity and sportsmanship. However, for these ideals to occur, everyone involved in these programs must be doing their part.

The NFHS is concerned that unsporting behavior in education-based athletics has increased across all sports. As a result, the NFHS has made sportsmanship the No. 1 Point of Emphasis for the 2022-23 school year.

Sportsmanship, or good sporting behavior, is about treating one another with respect and exhibiting appropriate behavior. It is about being fair, honest and caring. When these types of appropriate behavior occur, competitive play is more enjoyable for everyone.

Coaches set the tone at athletic contests with their display of sportsmanship. If these individuals act in a sportsmanlike manner, their behavior sets the tone for players, spectators and others. If coaches, however, are complaining constantly about the decision of contest officials, spectators are more likely to do the same.

There must be a collaborative, working relationship between contest officials and game administration to promote good sportsmanship and safely conduct the contest. Everyone has their roles to play in creating a positive, sportsmanlike atmosphere at contests.

Officials should focus on the actions of players, coaches and other bench/sideline personnel. A positive, open line of communication between officials and coaches ultimately results in a better contest for everyone involved.

Contest officials, however, should never engage with spectators who are exhibiting unsporting behavior. Once the contest begins, school administration is responsible for dealing with unruly spectators. A proactive approach by school administration includes monitoring the behavior of spectators and intervening as needed.

If spectators are using demeaning or profane language at officials – or at others in the stands – those individuals should be removed from the contest by school administration.

In recent years, a heightened level of unsportsmanlike behavior has been occurring by spectators at high school sporting events, and it must be stopped. The use of demeaning language, or hate speech, by students, parents and other fans must cease.

High school sports and other activities exist to lift people up, not demean or tear people down. The goal is to treat everyone fairly and treat each other with respect. Any speech or harassment that is insulting, demeaning or hurtful will not be tolerated.

High schools must establish a culture that values the worth of every single person – both players on the school's team and players on the opposing team. There must be a no-tolerance policy regarding behavior that shows disrespect for another individual.

Good sports win with humility, lose with grace and do both with dignity. It takes the efforts of everyone every day to ensure that sportsmanship remains one of the top priorities in education-based activity programs.

## Strategic Time-Wasting Techniques

To ensure fair and equitable play, officials must be aware of potentially illegal time-wasting techniques which may be used to waste time or gain an unfair advantage. Some examples to consider:

- Goalkeepers holding the ball for longer than 6 seconds before releasing the ball into play
- Once the ball has been placed for a free kick moving the ball to a different location
- Delaying the restart on free kicks or throw ins. Players may take unnecessary time to set up a free kick or throw in by stopping to re-tie their shoe or adjust their shin guard or uniform.
  - o Changing kickers late in the game when taking free kicks or corner kicks
  - o Changing players late in the game to take the throw in
- Substituting at every opportunity late in the game (before the 5-minute rule applies). Officials should use their best judgement and know their available options, including issue a verbal warning, stop the clock, and/or issue a caution to deal with these techniques. Recognizing and immediately dealing with these tactics will ensure fair play.

## Penalty Kick

The player taking the penalty kick is permitted to use a stutter step or a hesitation move provided they do not stop their approach to the ball and there is a continuous movement toward the ball. To be in play, the ball must be kicked forward. If the ball is not kicked forward the penalty shall be an Indirect Free Kick awarded to the defending team from the penalty mark. Infractions by either team are covered by the chart on page 70 of the rule book.

## Dissent

RULE 12-8-1c states that objecting by word of mouth or action to any decision given by an official is dissent. However, simply disagreeing with an official's decision isn't always dissent and/or sanctioned by a yellow card. There are several factors to consider in each situation. Referees should evaluate potential dissent by asking if the display is public, personal, or provocative. Expressions of frustration or disappointment or private dissatisfaction not directed at anyone can usually be handled by a verbal warning or private discussion with the player. Continual public complaining, prolonged and repeated actions, or personally directed comments towards the referee of their decision must be dealt with and should be cautioned. Beyond dissent gestures or language that are inappropriate, foul and abuse directed at an opponent, teammate or official, threaten physical harm, and/or taunting must be dealt with immediately and result in a disqualification to that player. These same considerations should be considered when dealing with coaches or any other individuals in the team area.
