

Take the Turnpike West towards Wichita. Then take Mile Marker Detour Exit 122.5

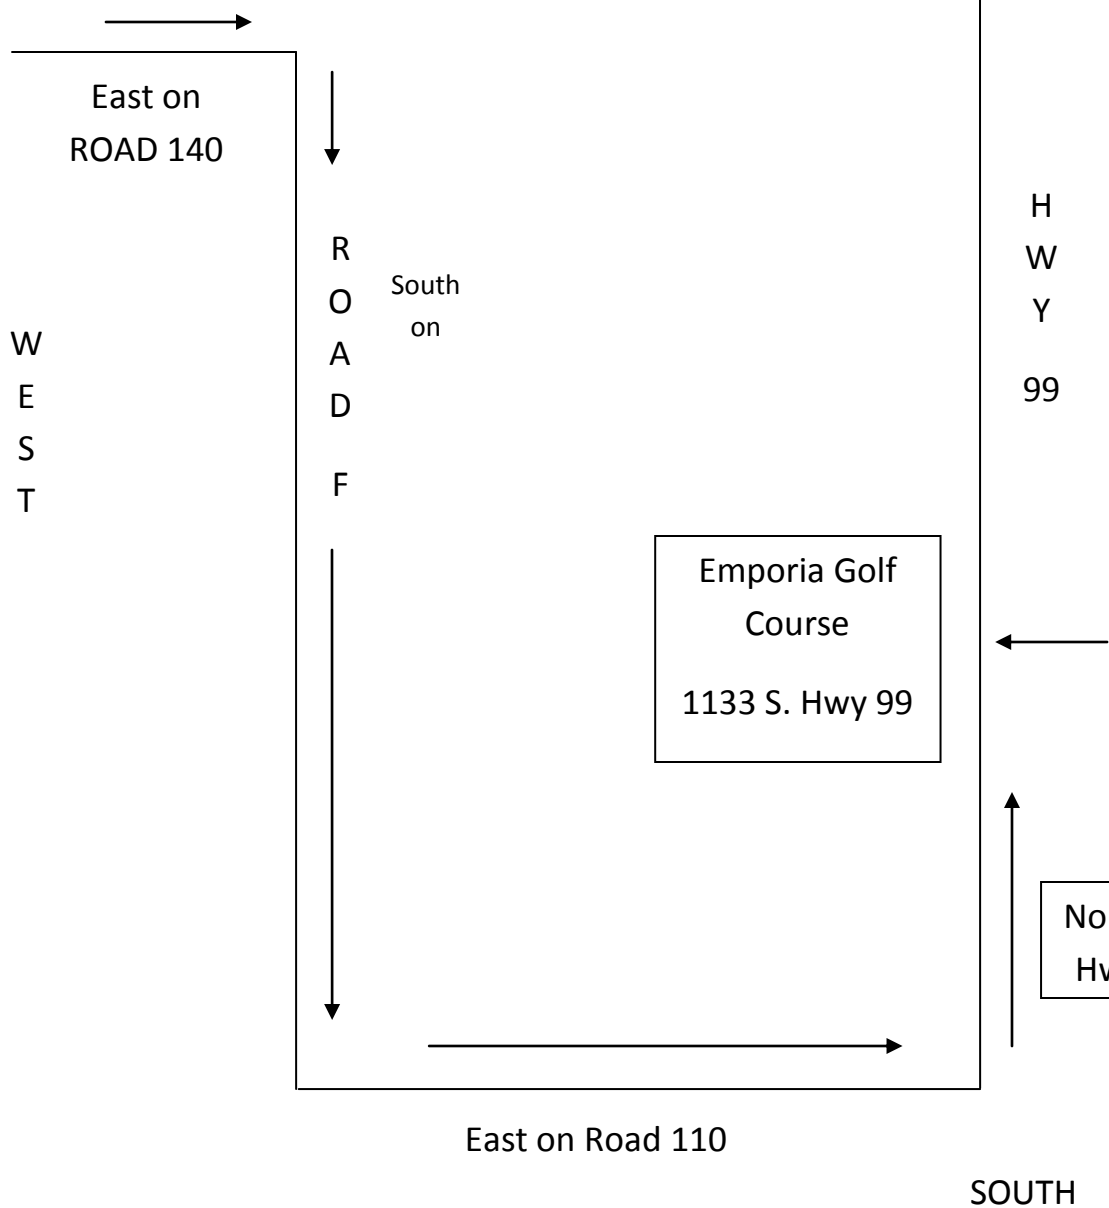

NORTH

This is our recommended route to the golf course due to traffic and quality of roads. There will also be a marked detour route available to follow.

Take the turnpike exit out of Emporia towards Wichita. You will see detour signs for Mile Marker 122.5 to get off the turnpike.

IMPORTANT:

You MUST get a NEW ticket at the Emporia turnpike booth to take this detour. Even if you are already traveling via the turnpike, you MUST exit in Emporia, and then re-enter at the Emporia turnpike booth and get a different ticket.
