Participating schools will not be allowed to practice at the tournament site prior to the start of the tournament. We will start the clock with 90 minutes before the first game on both days. Teams may take the field 50 minutes prior to the start of the first contest that day. 50:00 will be placed on the clock for team warm-up and run down to the 10:00 mark. At that point, teams are to prepare for introductions and the National Anthem.

Prior to the second game of the day, 30 minutes will be placed on the clock for team warm-up and run down to the 10-minute mark before lining up for introductions. Teams are responsible to bring their own warm-up balls. In the event of inclement weather, a decision will be made by the KSHSAA representative on site and the tournament site manager as soon as possible regarding an altered scheduled or postponement. Please keep Saturday night and Sunday afternoon open as options in case of inclement weather.
