

**WEEK #8 FOOTBALL POINTS OF CONSIDERATION
2024 FOOTBALL SEASON**

- OFFICIALS:** The league commissioners are assigning the week 9 officiating crews to the bracket and non-bracket games. The KSHSAA will be assigning the crews for the regional round games on week 10. The regional assignments will come out sometime next week.
- SCHOOLS:** Please make sure all scores are entered onto the KSHSAA database immediately after each game. We need these for seeding purposes.
- SCHOOLS:** The non-bracket games will be hosted by the even numbered district teams this year. This is the 5 v 5 or 6 v 6 games. The districts matchup with 1v2, 3v4, 5v6, 7v8. The host schools pays the officials and treats the financials like they would with a regular season game.
- REMINDER:** Blocking below the waist by either the offense or defense is permitted, only when the block is immediate at the snap. Therefore, anytime a block is made by either the defense or offense that is not immediate at the snap, this would be a foul. An example would be a defensive lineman cutting a pulling guard (not legal) or a running back cutting a blitzing linebacker (not legal).
- REMINDER:** Please review the football fundamentals. This would be a good reminder moving into this week.

GOOD LUCK TO ALL OFFICIALS AND TEAMS
