

GOLF ANNOUNCEMENTS – 9/10/2024

Regional Hosts

We are still looking to secure a 5A host in the east and a 6A host in the west. After that we should be set with four regionals for each class.

Regional Groupings/Entries

The new process will happen like this: 1. Divide schools evenly/geographically. 2. On October 1 look at the number of entries. 3. If one regional has a disproportionate number of entries compared to the others then the closest team to a neighboring regional will be moved to help balance out the number of entries. So as a result, we could have an uneven number of schools assigned to a regional but a more balanced tournament field.
