

## **GOLF ANNOUNCEMENTS – 9/23/2024**

### **Coach Survey – For All Coaches**

The Ohio State University, in partnership with the Greater Wichita Athletic League and the KSHSAA is conducting a study to examine the education and training needs, interests, and practices of Kansas high school and middle school sport coaches. We are requesting you consider participating in this important data collection. The survey is completely voluntary and will take 20-30 minutes to complete. This information will provide valuable insight into opportunities to better support you as a coach and to improve school sports in Kansas.

### **Classifications**

Eight schools did not turn their numbers in on time Friday. The bylaws say we must wait three days once all are turned in. It is looking like Friday before we will know the final number for classifications.

### **Regional Entries**

These are DUE OCTOBER 1. This is to get a preliminary number on the expected entries for each regional. You will be able to edit this until the Thursday before regionals. Please note the manual had a typo and left off the one for the regional dates. Regionals are the 14<sup>th</sup> or 15<sup>th</sup> depending on your location.
