

## **GOLF ANNOUNCEMENTS – 10/1/2024**

### **Regional Entries DUE TODAY**

These are DUE OCTOBER 1. This is to get a preliminary number on the expected entries for each regional. You will be able to edit this until the Thursday before regionals. Please note the manual had a typo and left off the one for the regional dates. Regionals are the 14<sup>th</sup> or 15<sup>th</sup> depending on your location.

### **Golf Classifications**

They are now posted. <https://www.kshsaa.org/Public/Golf/pdf/Girls/GGClassifications24.pdf>

Reminder how that works: 6A, 5A remain as the general classifications are released. 4A and 3-1A are determined by taking 40% of the remaining schools and they are designated as 4A. The 60% are designated as 3-1A.

### **Regional Assignments**

Assuming all schools get their entries in on time we will have regional assignments posted October 2.

### **October Regional Administrator Meetings**

Golf coaches/schools will want to be keen to the agenda items at the October Regional Administrator Meetings coming up later this month. While they are not official votes for change, they do carry weight for the governing boards of the KSHSAA. Agenda is linked here:
