

GOLF ANNOUNCEMENTS – 10/15/2024

Regional Hosts

Thank you to the hosts for putting in the work for regional golf.

Qualifier Communication

Once we have all the qualifiers from each regional we will send an email to each school AD and coach with need to know information.

Coach Meeting for State

The coaches meeting will be Sunday evening on Zoom with the golf course leadership and KSHSAA rep.

3-1A: 6:30 pm

4A: 7:00 pm

5A: 7:30 pm

6A: 8:00 pm

Invitations to the meeting will be emailed next week to the qualifiers.

Repair The Putting Surface

Coaches, please emphasize competitors repair their divots on the green. This has been an observed problem this year. As we head into the state championship we need to take care of the courses.

Day Two Qualifier

Find further information in the Golf Manual. The top six teams (we will break ties) and the next 18 individuals or at least 54 plus ties make it to day two.

Circle 12 Rule

We do utilize the circle 12 rule for postseason. Players may opt to take a circle 12 however it will eliminate them from individual medal contention. Their score does count towards a team score and does count toward qualifying as an individual.

Local Rule

The local rule for lost ball and out of bounds will be used for the girl's postseason including regionals and state.
