KSHSAA

Week #2 – September 2, 2025

Welcome back to school and to the 2025-2026 season of Kansas gymnastics! Please read through this information as this is important information coaches and judges need to be aware of this season. These newsletters will be sent weekly throughout the season. If you are aware of an unusual situation or rules/protocols that should be addressed, please email ssmith@kshsaa.org. Thank you for all you do for Kansas athletes!

Gymnastics Rules Exam

All head coaches and registered judges are required to complete the Gymnastics exam. The due date for the completed exam is September 2, 2025. Coaches and judges have two attempts to pass the exam with a score of 90% or better.

State Qualification

The state qualifying procedures will remain in place for our final season of KSHSAA Girls' Gymnastics. While the KSHSAA recognizes that this is our final season, we must maintain the integrity of the state qualification process as well as the tournament. Adjustments may be made at regular season meets to allow for additional participation (Exhibition Categories). Please keep in mind that the exhibition category scores will not count towards individual state qualification.

Competition

The first official day for competition is Friday, September 5, 2025. Competition scores must be updated on the KSHSAA gymnastics website.
