The TCHS KAY club paid tribute to the brave men and women that fought for our country in “Military Appreciation Night” on October 24.

The project was part of the club's Area IV project, in which all clubs in the area were focusing on showing appreciation to the military.

At the Friday night game, all past and present military personnels' admittance into the game was paid for, as well as their meal from the concession stand.

At halftime, all 37 veterans were brought onto the field where they were recognized for their service. They were given an official certificate of appreciation, as well as a coupon for a free pizza donated by the local Pizza Hut. As the program came to a close, crowds from both sides of the field gave a standing ovation to all of the men and women who fought or are fighting for our country.
