

KAY KLIPS NOVEMBER, 2010

Arma-Northeast KAY Club honored the high school staff during American Education Week & also served a meal honoring veterans at the Franklin Community Center & Heritage Museum. A considerable number of elderly citizens attend activities at the Center & the club members are always willing to help carry trays, serve food & pick up trash.

The **Independence HS KAY Club** braved the cold early morning temps to assist in a "Drive-Thru Shooting" organized by the Montgomery County Community Clinic. They provided free flu vaccines & the club members assisted by collecting paper work from the people that received the shots. (pictures below)

Olathe-North KAY Club have been active with activities including assembling lasagna's for the firefighters, organizing Red Ribbon Week & collecting canned goods for the less fortunate. They plan to do some the projects that they have done in the past including writing letters to soldiers, ring bells for the Salvation Army, organizing food & clothes drives & working with the Heart-to-Heart organization.

Osawatomie KAY Club raised \$500 for a charity from a "Penny War" activity.

November, 2010

Here are pictures from South Gray High School KAY making Christmas ornaments for St. Catherine Hospice Tree of Hope. Proceeds of the sale of the hand made ornaments help defray the cost for Camp Comfort. A camp the hospice sponsors for people who have lost loved ones. This year's ornaments were stars made from antique music and metallic gold paper. Susan Williams
