

KAY KLIPS

OCTOBER, 2010

Maize MS KAY Club donated children's books to be used in the hospital's pediatrics department and waiting areas at the new Via Christi Hospital in west Wichita. The students arranged a charity hat day at the school where students could pay \$1 to wear a hat during the day. The club gave more than \$400 worth of children's books.

Several members of the **Rose Hill KAY Club** presented a short skit to first & second grade students at the primary school to recognize National Red Ribbon Week. They delivered a "Say No To Drugs" message using the familiar theme from the "Wizard of Oz." The theme for this year's week was "PAWS-itively Drug Free!!" The theme was reinforced on Monday by the student's bringing their favorite stuffed animal with "paws." Crazy socks & shoes walked the halls on Tuesday. The school was awash in red on Wednesday as everyone wore the color as a symbol to living a "PAWS-itively" drug free life. The KAY Club also handed out red ribbons to the high school student body in remembrance of the lives that have been lost to drug addiction & also honors the lives of the law enforcement officers who fight the war on drugs. The **KAY Club** also built a Wizard of Oz float to be represented in the annual float competition. The **KAY Club** sponsored an ice cream social in August to welcome the foreign exchange students to Rose Hill HS & recognize their families.

Smith Center KAY Club conducted the Red Ribbon Week activities at the grade school, Oct. 23-26. The activities included each day having a theme & the students dressed up & wore stickers & red ribbons associated with that theme. Monday was "Follow Your Dreams...Don't Do Drugs" and students wore pajamas to school. Tuesday was "Give Drugs the Boot" with students wearing different types of boots. Wednesday was "Use Your Head...Don't Do Drugs" and students wore wigs or crazy hair styles. Thursday was "Stay in the Game...Don't Do Drugs" with students wearing the school colors. Thursday afternoon, the KAY members went to the school & conducted different activities in each classroom. Some of the grades made banners saying "We Joined Hands Against Drugs" and pasted the students' hand prints side by side & others made banners saying "Don't Get Tangled Up In Drugs" with spider webs and pasted spiders that they made on them. After the classroom activities were concluded, the students went outside & tied red ribbons on the fence to show their support of the fight against the abuse of drugs & alcohol.

DODGE CITY 2010 KAY FALL ACTIVITIES

Homecoming 2010

NUMANA-Food Drive for Haiti

(see pictures above) Dodge City HS KAY Club participated in the High School Homecoming Parade. The club also participated in NUMANA, the community-wide packing of food bags to feed the starving in Haiti.

Our Ingalls High School KAY club this year for the month October we did a Dig Pink day. This consisted of donations from our elementary and a set amount of money from the middle school and high school. If you participated you got to wear pink for the day. You received a pink ribbon and a pink cookie. This was supposed to be for Breast cancer awareness. We raised a total of \$326 Dollars it ended up being a pink out day!

El Dorado HS KAY Club will be hosting the annual Pink Night at a home football game. Items will be sold include printed pink bandanas at the gate & free items will be handed out to the spectators also. The club is hoping to raise a lot of money to support breast cancer research.

(Pictured above) Holcomb KAY Club provided treats & visited with the residents at the nursing home.
