

## 2022-23 Required Spirit Safety Meetings

**Head Spirit Coaches/Advisors (grades 7-12)** are required to attend a **mandatory** spirit safety meeting **annually**, intended to promote and provide fundamentals of the activity and participant safety.

Face-to-face spirit rules meetings will be conducted at **KSHSAA Summer Cheer/Dance Camps** and **Fall Spirit Spreader Clinics**.

Spirit coaches **shall** complete a test with information provided and discussed at the spirit safety meeting.

The KSHSAA strongly recommends head spirit coaches attend a face-to-face safety rules meeting if their team performs stunts during the school year.

Head coaches that cannot attend an in-person rules meeting will need to complete the meeting and exam online between August 15 and October 2.

**Any head sponsor that does not complete the rules meeting and exam by October 2 will be fined \$200 per Executive Board policy.**
