

2024-25 Required Spirit Safety Meetings

Head Spirit Coaches/Advisors (grades 7-12) are required to attend a mandatory spirit safety meeting annually, intended to promote and provide fundamentals of the activity and participant safety. Face-to-face spirit rules meetings will be conducted at KSHSAA Summer Cheer/Dance Camps and Fall Spirit Spreader Clinics. Spirit coaches shall complete a test with information provided and discussed at the spirit safety meeting.

The KSHSAA strongly recommends head spirit coaches attend a face-to-face safety rules meeting if their team performs stunts during the school year.

Head coaches that cannot attend an in-person rules meeting will need to complete the meeting and exam online between August 19 and October 4. Online instructions can be found [here](#).

Any head sponsor that does not complete the rules meeting and exam by October 4 will be fined \$200 per Executive Board policy.
