Reason: Stunting with Masks Allowed Starting May 1, 2021

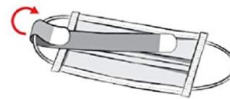

Beginning May 1, 2021, the KSHSAA will allow stunting with masks for Spirit participants with the following requirements:

1. Masks must be well fitted and secured to the face with straps that wrap around the back of the head not the ears.
2. Masks must have a Velcro type material on the straps that secures it in place in order to break away if needed.

Example pictures:

- Provides Relief to Ear Discomfort
- Reusable & Washable (Hand Wash)
- Adjustable for Customized Fit

Fold first tab over one ear loop and secure.

Put on mask and feed second tab behind other ear loop.

Pull strap back onto itself and press to secure.

(To remove mask, simply pull back the tab to release the ear loops.)

*Mask not included
