### **Regional Bowling Assignments**

There will be four (4) regional bowling sites this year with the top five teams advancing to state. **We are still looking for one more site.** Once this site is determined, assignments will be posted at <https://www.kshsaa.org/Public/UnifiedBowling/RegAssignments.cfm>.

### **Bowling Attire**

On page 29 of the Bowling Manual, it lists appropriate and inappropriate attire. We recognize the fact that for some of our athletes, sweatpants might be appropriate attire for that individual. That is acceptable, if the presentation is still one of neatness. We do not want this experience to cause undue stress for our athletes based on needed accommodations.

### **Allowable Accommodations**

Decisions made about accommodations that are allowed should align with the accommodations found in the athlete's IEP or 504. For example, if an athlete is non-verbal and needs to use a device for communication, that device can be allowed in the settee during the meet. Other accommodations would include the use of headphones for sensory issues.
