

Kansas State High School Activities Association

MINUTES

Note: Minutes are subject to approval by the Board at its next meeting.

Executive Board Meeting
KSHSAA Board Room
Tuesday, March 22, 2022
Wednesday, March 23, 2022

The Executive Board met in the office of the Kansas State High School Activities Association on Tuesday and Wednesday, March 22-23, 2022, with the following in attendance: President Roger Perkins, Tim Bumgarner, Matt Garber, Shannon Haydock, Deena Horst, Mike Kastle, Greg Rosenhagen, Tammie Romstad, Linda Wiley, and Bill Faflick, Executive Director. Assistant Executive Directors Francine Martin, Mark Lentz, Jeremy Holaday, Craig Manteuffel, Rod Garman, Annie Diederich and Office/Operations Manager Brent Unruh also participated. Board member Drew Thon was absent both days due to local district meetings. Assistant Executive Director Rod Garman was absent on Tuesday due to NFHS meetings.

CONSENT AGENDA ITEMS

The following items were all approved unanimously via consent:

- Minutes of the January 12-13, 2022 meeting.
- Items approved by KSHSAA staff on behalf of the Executive Board. (***A list of these items may be found at the end of these minutes.***)
- **Middle/Jr. High At-Large Appointment** – Per **Bylaw Article IV, Section 5**, the Executive Board appointed Athletic Director Justin Briggs, Dodge City-Comanche Middle School, to a two-year at-large term on the Board of Directors (2022-2024).

PUBLIC FORUM

Written statements were received and reviewed from the following individuals:

- Jenny Diederich, Louisburg
- Lisa Guetterman, Louisburg
- Greg Crow, Louisburg

ADMINISTRATIVE REPORTS

The Executive Board received reports from Executive Director Bill Faflick, and the Assistant Executive Directors regarding the status of programs and services of the Association. The staff reported on the culmination of winter activities and plans for the upcoming spring activity season. The Executive Director gave a financial report and update of legislative changes that may affect the Association.

ATHLETIC DIRECTOR RULES MEETING REQUIREMENT APPROVED

Executive Director Bill Faflick presented information on a proposed mandatory meeting for all member school athletic/activity directors. During the January Executive Board meeting, the concept of a mandatory meeting for athletic administrators was introduced with the purpose to be education regarding the singular topic of **Rule 18 Transfer**. In response to a request for detailed plans on such a meeting, staff presented the Board recommendation for mandatory attendance at the in-person meeting or to view an online version prior to the start of the 2022-23 school year. The meeting would be held in conjunction with the administrative seminars that currently take place in late July and early August.

Following the initial year, the yearly requirement will be reviewed. The Board voted unanimously to approve the required administrative rule meeting beginning with the upcoming 2022-23 school year.

KSHSAA PRINT SHOP EQUIPMENT TO BE UPDATED

Staff provided an update on printers currently used in the KSHSAA in-house print shop. These three high-capacity printers have exceeded their life expectancy and are in need of replacement. An overview was given of bids received for a replacement plan. Following discussion, the Executive Board unanimously approved the authorization to utilize capital outlay funds for the purchase of two high-capacity printers and an additional envelope printer from Ricoh. In addition, discussion was held on ways to reduce the amount of mailings currently being sent by the Association as the cost of postage keeps increasing.

MIXED TEAM ELIGIBILITY REVIEW AND INTERPRETATION

Per request from member schools, staff reviewed the opportunity for girls to participate as members of school baseball teams, regardless of the status of softball at their school. Due to the timely nature of the requests, officers from the Executive Board were called and input from legal counsel was provided at the beginning of March to receive a revised interpretation of **Rule 23 Mixed Team**. The full Executive Board was given the same information as the officers received and concurred with the determination. This information included the different rules provided for each sport from the NFHS along with legal cases that support the finding of baseball and softball are not the same activity (different rules govern each respective activity).

As **Rule 23 Mixed Teams** is not applicable, the Executive Board interpretation now allows girls the opportunity to play on school baseball teams regardless of the availability of a softball team at the school. This determination does not extend the opportunity for boys to participate on softball teams, as that would fundamentally change the softball rules provided by the NFHS (including but not limited to the pitching distance).

RULE INTERPRETATION FOR JR. HIGH/MIDDLE SCHOOL SEASONS OF ACTIVITIES

Following the conclusion of a junior high/middle school basketball season, staff were contacted with questions on **Rule 30, Seasons of Activities**. Current interpretation does not allow for coaches to work with 8th graders in the same activity, even though the student no longer has eligibility at the junior high/middle school level. Since the rule details *“Following the season of sport, seniors may receive instruction from their school coach, in the same sport.”*, a question was raised about 8th grade students being afforded the same courtesy. After discussing the rule, the Executive Board affirmed current interpretation to allow senior high school students with no future eligibility to receive instruction from their school coach, but since 8th grade students have future eligibility in high school, the student would not be able to receive instruction from their school coach during the school year.

The Executive Board was also asked to review and to verify an interpretation for **Rule 30, Seasons of Activities**, involving a middle/junior high school team practicing with a high school team. The existing interpretation of the rule is that the Association considers a junior high/middle school as a different school than the high school. Accordingly, as practices are for students on respective school teams, it would be contrary to rule for middle school and high school teams to practice together. Some member schools, often those with smaller enrollments, employ coaches for a specific activity for students in grades 7-12, and have consequently scheduled team practices concurrently. Due to facility availability and other constraints, a district employing one coach per activity is necessary to keep programs viable. It was noted, per **Rule 30 and Rule 8**, scrimmages between a junior high/middle school team and their high school team is not permitted. Following discussion, the Executive Board determined it appropriate to learn more from member schools before finalizing a determination.

MILE SPLIT PARTNERSHIP

The Executive Board was updated on the partnership agreement between the Association and Mile Split. This partnership will allow free cross country and track meet registrations to member schools along with live scoring availability for meet results. Mile Split is a company that produces an entry platform for meets and can work congruent with timing/scoring software such as MeetPro and HyTech. By utilizing Mile Split, member schools may allow for the program to enter their student athletes once and reuse the data for multiple meets by a drag-and-drop system that will also import top times and throws from one meet to the next. The entry platform will be free for member high schools to use, but not required during the regular season. During the postseason, the KSHSAA will use Mile Split for student registration to hopefully reduce the need for schools to retype data multiple times. While there is a premium membership that requires a fee, the free version provided to member schools will allow access to leaderboards during the year, articles on student athletes by the Mile Split staff, and import entry for multiple timing/scoring platforms.

OFFICIATING

Assistant Executive Director Francine Martin updated the Executive Board on the agenda for a League Commissioner summit that is to be held on April 6th in the KSHSAA Board Room. League commissioners are key allies for the Association in providing schools with registered officials for regular season contests. The Board was apprised of several changes made by the Association in recent years that have affected how commissioners are able to perform their jobs. One of those changes is the use of the Arbiter online system for scheduling and payment. This system is provided to member high schools for free, but not to member junior high/middle schools, and it is up to the school if they wish to utilize the software. Since league commissioners are hired by a league, it is up to the commissioner if they use Arbiter and how they use Arbiter. Discussion was held on topics the League Commissioners may discuss at the summit and any thoughts, expectations, or messages to be given on the Board's behalf.

JUNIOR HIGH/MIDDLE SCHOOL COOPERATIVE AGREEMENT CLARIFICATION

A request was received from a member junior high/middle school that called for clarification of **Rule 29, Cooperative Agreements**. Specifically, the Board was asked for their interpretation regarding eligibility for 6th grade students who participate under a cooperative agreement between member schools. Per **Rule 8, Section 3, Article 2**, the board noted that 6th grade participation is permitted. Accordingly, 6th grade students from both participating schools in a cooperative agreement would be approved to participate. Ultimately, it is the member school responsibility to determine if it is necessary and appropriate for 6th graders to participate under this permissive rule, in a manner similar to the annual agreement with other cooperative agreement details. It is noted that the 6th grade students are not covered under the KSHSAA catastrophic insurance policy and schools are strongly encouraged to provide separate catastrophic insurance coverage for any participating 6th grade students. Further, it is noted that 6th grade students may not compete in tackle football or wrestling.

LIABILITY AND CATASTROPHIC INSURANCE UPDATE

Jan Mason, Kent Miller, and Zach Barnes of Willis Towers Watson Insurance spoke with the Executive Board and provided an update on information pertaining to liability, catastrophic and medical coverage for member schools of the KSHSAA for the 2022-23 school year. It was voted unanimously to purchase coverage through Mutual of Omaha. Information regarding coverage and the premium per student will be mailed to all member school superintendents and principals in May with the annual membership mailing.

There are no changes in coverage from last year (\$25K deductible, \$5M lifetime benefit). More specific information regarding coverage and benefits for the 2022-23 school year will be provided in the membership mailing. The premium per student will increase by 29 cents/participant (3.9%) for the next school year. Member schools will pay **\$7.35 to cover each student (grades 7 – 12) participating in KSHSAA athletic activities**, regardless of the number of activities in which the student participates. The increase is based upon a catastrophic fee increase of \$.25, and an increase of \$.04 to the liability component.

DUES APPROVED FOR 2022–2023

The Executive Board voted unanimously to continue member school dues at the current level of \$500 senior high and \$200 middle/junior high for the 2022-23 school year. KSHSAA membership materials will be mailed in May to building principals and superintendents of all member schools.

The Executive Board also voted unanimously to increase Approved School dues, to be set at \$250 for the year with an optional (additional) fee of \$50 for those participating in debate. Staff also reviewed the annual application for Approved Schools and the questions used to determine suitability for approval.

POSTSEASON OFFICIATING FEES

Based on the established three-year rotation, staff presented Executive Board members with historic background on game fees paid for officials working postseason contests in volleyball, wrestling, baseball and softball. In addition, background was provided for game fees paid for officials working postseason contests in soccer and football, since these two activities were not adjusted in previous years due to COVID-19 hardships. After reviewing the information provided, the following game fees were approved effective with the 2022-23 school year:

Volleyball	Sub-State Official	\$45/match <i>(increase \$2.50)</i>
	Sub-State Line Judge	\$15/match <i>(increase \$2.50)</i>
	State Officials	\$52.50/match <i>(increase \$5.00)</i>
	State Line Judge	\$22.50/match <i>(increase \$2.50)</i>
Wrestling	Regional (1-day)	\$212.50 <i>(no change)</i>
	Regional (2-day)	\$425 <i>(no change)</i>
	State	\$500 <i>(no change)</i>
Baseball	Regional	\$55/game <i>(increase \$2.50)</i>
	State	\$67.50/game <i>(increase \$5.00)</i>
Softball	Regional	\$55/game <i>(increase \$7.50)</i>
	State	\$67.50/game <i>(increase \$10.00)</i>
Football	Regional	\$80 <i>(increase \$5.00)</i>
	Sectional	\$85 <i>(increase \$5.00)</i>
	Sub-State	\$90 <i>(increase \$5.00)</i>
	State	\$105 <i>(increase \$10.00)</i>
Soccer	Regional	\$62.50 <i>(increase \$2.50)</i>
	State	\$70 <i>(increase \$5.00)</i>

WINTER CHAMPIONSHIP PROTOCOL REVIEW

Staff led the Executive Board in a discussion regarding the success and challenges with each of the recently completed winter championship events. This opportunity allowed for Executive Board members to provide suggestions for modification and future enhancements regarding postseason sites and procedures.

CLASSIFICATION FORUM

Staff shared the KIAAA Classification Forum topics which will be introduced and discussed at the KIAAA Conference in Mulvane, March 26-28, and noted the implications of several proposals. In lieu of providing verbal feedback to participants during the Classification Forum session at the KIAAA Conference, staff is preparing a written document identifying considerations for administrators as they participate. Those items supported at the KIAAA will be presented to the Executive Board at the April meeting.

COACHING SCHOOL

Staff provided an update on the Kansas Coaching School currently scheduled on August 1-2, 2022. After a two-year hiatus, the Coaching School will resume with in-person professional development for member school coaches at the Stormont Vail Events Center and Hotel Topeka at City Center. Registration will be taken online through our website for schools who wish to register multiple coaches at once, including for any optional classes that require payment. If coaches want to register individually, a link will be made available this year through GoFan which will allow for payment with credit card. The Association will facilitate an optional golf tournament on July 31st, before the coaching school begins, making registrations for play available through GoFan as well. Registration for all events will begin the first part of April.

PROPOSED RULE CHANGES SENT TO BOARD OF DIRECTORS

At their January meeting, the Executive Board heard from Assistant Executive Director Craig Manteuffel regarding the possibility for additional music opportunities in Kansas. Current rules prohibit member schools from participating in any competition for jazz bands. Similar to previous rule modification for show choir competition, Mr. Manteuffel presented the Board with changes to **Handbook Rule 46, Music**. Following discussion, the Executive Board unanimously approved sending the following proposed modification to the agenda for the April 29 Board of Directors meeting:

Rule 46, Music, Section 1

Art. 2: Kansas music activities hosted by member schools or approved by the Executive Board may be rated and receive oral and/or written critiques but shall not be ranked or receive cash or merchandise awards.

- a. Kansas marching band, jazz band, and show choir activities hosted by member schools or approved by the Executive Board may be ranked, rated and receive oral and/or written critiques as long as the event falls within the guidelines of the KSHSAA mileage limitations.

Out-of-state music activities approved by the Executive Board and the out-of-state high school association may be ranked, rated and receive oral and/or written critiques as long as the activity falls within the guidelines of the KSHSAA mileage limitations. *(See Bylaw, Article XIV - Approval of Events.)*

In addition, Board members heard a recommendation from staff and approved by the Sports Medicine Advisory Committee in regard to fall activities and heat acclimatization for student participants. Office Manager and SMAC Liaison Brent Unruh presented a proposal that would eliminate the number of team practices in cross country and football and would mandate individuals must practice for 12 days prior to their first competition. While this change is for the select fall sports of cross country and football, subsequent changes may necessitate calendar and/or schedule amendments for other fall activities and will be considered at a later date. The Executive Board discussed and unanimously approved sending the following changes to cross country and football rules to the agenda for the April 29 Board of Directors meeting:

Rule 34, Cross Country, Section 1

Art. 1: ~~No member school shall participate in a meet until it has had (14) days of training.~~

- a. ~~Each athlete shall participate in twelve (12) days 9 days of practice with the team prior to participating in a meet. (See Rule 30-1-8a-e, Seasons of Activities) Credit shall be given for a day's practice whether or not it is on a school day.~~

Rule 35 FOOTBALL (Boys)

Section 1: General Regulations (apply to grades 7-12)

Art. 1: ~~No middle/junior or senior high school shall be represented in a game with any outside teams or group until it has had (JH/MS – 13, HS – 14) days of practice prior to (and not including) the first scheduled day of competition.~~

Competition shall not begin prior to Wednesday of Standardized Calendar Week #9. (See Rule 30-1-8a-e, Seasons of Activities)

- a. Credit shall be given for a ~~full~~ day's practice whether or not it is on a school day.
- b. Each individual player shall participate in at least twelve (12) nine days of practice before their first game.

Section 2: Senior High Regulations

Art. 1: All practices and games shall be held between the opening and closing of the regular season, unless approved by the Executive Board. ~~No senior high school shall be represented in a game with any outside teams or group until it has had 14 days of practice prior to (and not including) the first scheduled day of competition. No senior high school shall be represented in a scrimmage with any outside teams or group until it has had 10 days of practice prior to (and not including) the scrimmage.~~ Each individual player shall participate in at least nine days of practice (prior to, and not including the scrimmage) before their permitted scrimmage. No senior high school shall participate in more than one scrimmage. (See Rule 30-1-8a-e, Seasons of Activities)

Section 3: Middle/Junior High School Regulations

Art. 2: ~~No middle/junior high school shall be represented in a game with any outside teams or group until it has had 13 days of practice prior to (and not including) the first scheduled day of competition. No middle/junior high school shall be represented in a scrimmage with any outside teams.~~ (See Rule 30-1-8a-e, Seasons of Activities)

BOARD OF DIRECTORS MEETING

Following a preview of the KSHSAA Board of Directors April 29 meeting, the Executive Board finalized the agenda for the meeting. The Board of Directors meeting will be held at the KSHSAA office building in Topeka and will begin at **3:00 p.m.** on April 29, 2022.

NEXT MEETING

The next regularly scheduled meeting will be held as follows:
