LIABILITY AND CATASTROPHIC INSURANCE UPDATE

Jan Mason, Rebecca Shaffer, and John Puetz of Willis Towers Watson Insurance spoke with the Executive Board and provided an update on information pertaining to liability, catastrophic and medical coverage for member schools of the KSHSAA for the 2021-22 school year. DUES APPROVED FOR 2020–2021

The Executive Board voted unanimously to continue member school dues at the current level of \$500 senior high and \$200 middle/junior high for the 2021-22 school year. KSHSAA membership materials will be mailed in May to building principals and superintendents of all member schools.

The Executive Board also voted unanimously to maintain Approved School dues at \$200 for the year with optional (additional) fee of \$50 for those participating in debate. Staff also reviewed the annual application for Approved Schools and the questions used to determine suitability for approval.

ACTIONS IN RESPONSE TO COVID-19

The Executive Board discussed multiple issues relative to current and projected status along with continued efforts to mitigate the impact of COVID-19 in members schools. Staff provided updates including current data, trends, SMAC updates, and current rules and procedures in place for member schools. The following actions were approved by the Executive Board:

- **Masking Interpretation**

Following discussion, and a failed motion to end mandatory masking, the KSHSAA Executive Board provided the following interpretation congruent to the Board of Directors approved language for universal masking with masks being worn in the manner intended to reduce spread of COVID-19: *“Any participant (including but not limited to athletes, coaches, officials, spectators, support staff and all others attending/participating in school activities) **outdoors, who is able to maintain a minimum of six feet of social distancing** would not be required to wear a face covering. Adherence to a more restrictive local health authority or school district policy is supported and expected.”*

- **Summer Calendar**

The Executive Board provided approval of the staff recommendation to maintain a “traditional summer calendar” while maintaining the Summer Moratorium (June 28-July 4) and all other Handbook detailed coach/athlete contact periods.

- **Remote Learning Policy**

The Executive Board provided approval of the staff recommendation to end the Remote Learning Policy at the end of this school year. This policy was developed in response to COVID-19. The Virtual Student Eligibility Policy remains intact.

- **Spring Activity Ticket Prices**

With anticipated restricted attendance, the Executive Board approved the “adult price” as the single admission price for spring state championship tournament events. This includes leadup rounds and championship tournaments.

- **Modification To Spring Championships**

All spring activities will continue to follow local and KSHSAA adopted COVID-19 risk mitigation protocols. Spectator attendance for all events will be specific to the venue and local health authority or local Board of Education established limits.

- **Summary of Modifications to Spring Championship Tournament Protocols**

- **Baseball** – conducted according to Baseball Manual.
- **Forensics/Speech** – per previous approval, championships and festivals will be conducted virtually.

- **Boys Golf** – to be conducted according to the Golf Manual.
- **Music** - per previous approval, state festivals will be conducted virtually.
- **Girls Soccer** – to be conducted according to Soccer Manual.
- **Softball** – to be conducted according to Softball Manual.
- **Girls Swimming and Diving** – the Executive Board approved the proposed format for one day championship meets at Hummer Capitol Federal Natatorium with “finals against time” and all those meeting entry standards qualifying (along with consideration times to fill partial heat).
- **Boys Tennis** – to be conducted according to Tennis Manual.
- **Track and Field** – the Executive Board approved the proposed format for three one-day championship meets at WSU Cessna Stadium with two classes competing concurrently each day. Prelims and finals in the 100m, 100H/110H, and 200m and finals in all other events will all be conducted on the same day. Classes 6A and 5A will compete on Thursday, May 27; classes 4A and 3A on Friday, May 28; and Classes 2A and 1A on Saturday, May 29. Field events begin at 8:00 a.m. daily and track events at 11:00 a.m. daily.

PUBLIC-PRIVATE SCHOOL CLASSIFICATION WORK GROUP

The initial planning meeting for the Public/Private Classification Work Group was conducted virtually on February 22. Seventeen of the 19 members attended. Staff and committee members Rosenhagen and Stonebreaker provided an update for the board. Staff continues to gather data per request of Work Group members.

TELLING THE KSHSAA STORY

With preponderance of high school print media evaporating, the staff provided a potential opportunity to develop a new component of the KSHSAA digital footprint. The opportunity involves utilization of professional media serving as independent contractors and providing coverage of schools from respective geographic regions. This venture would require sponsorship.

CONSULTANCY REVIEW PROTOCOL

At the January Executive Board meeting, the concept of conducting a consultancy review protocol was introduced. The Executive Board received an update on this issue and determined this protocol would provide growth opportunity for the Association but tabled the issue until a post-COVID environment.

CLASSIFICATION FORUM

Staff reviewed KIAAA Classification Forum topics and discuss intended and unintended consequences of respective proposals prior to the KIAAA Classification Forum. Several proposals philosophically change the current protocol for postseason seeding. Staff will participate in the Classification Forum with athletic administrators from across the state on April 12 at 8:00 a.m.

COACHING SCHOOL

Staff provided an update on the Kansas Coaching School and the Executive Board affirmed the recommendation to cancel the August 2021 Coaching school due to the uncertainty of restricted attendance in the space at the Topeka Capitol Plaza. It is expected the Coaching School will resume with professional development for member school coaches on August 1-2, 2022.

UNIFIED BOWLING

Kansas Special Olympics staff members Taylor Obersteadt and Chris Burt, along with Dr. John Johnson, Shawnee Mission South Athletic Director, attended the Executive Board meeting to participate in discussion and answer questions relative to proposed adoption of Unified Bowling as a KSHSAA sponsored championship activity. Following review of the proposal, the Executive Board placed this item on the April 30 Board of Directors meeting agenda for adoption consideration.

AMENDMENT TO HANDBOOK RULE PROPOSED FOR SHOW CHOIR

Following discussion, the Executive Board approved the following KMEA recommendation to the agenda for the April 30 Board of Directors meeting:

Rule 46, Section 1

Art. 2: Kansas music activities hosted by member schools or approved by the Executive Board may be rated and receive oral and/or written critiques but shall not be ranked or receive cash or merchandise awards.

- a. Kansas marching band and show choir activities hosted by member schools or approved by the Executive Board may be ranked, rated and receive oral and/or written critiques as long as the event falls within the guidelines of the KSHSAA mileage limitations.

Out-of-state music activities approved by the Executive Board and the out-of-state high school association may be ranked, rated and receive oral and/or written critiques as long as the activity falls within the guidelines of the KSHSAA mileage limitations. *(See Bylaw, Article XIV - Approval of Events.)*

NON-LICENSED COACH AIDES

Per request of an Executive Board member, staff participated in a discussion relative to the expectations for non-licensed coaches. Per **Rule 10-Qualifications of Coaches** the requirements for Coaches Aides were discussed. There were no suggested changes nor new interpretations for the rule at this time.

MARKETING PROJECT

The KSHSAA has been approached by two or more potential partners expressing interest in a marketing partnership. In such a relationship, the partner would market Association available inventory on behalf of the KSHSAA. Staff and KSHSAA intern Michael Brooks provided an overview of opportunities for each activity administered by the Association. The Executive Board supported additional detail with an interest to gradually transition into a potential partnership.

NFHS SUMMER MEETING

The NFHS is planning to conduct a traditional summer meeting with in-person attendance for state association administrators and board members. The meeting for 2021 will be held in Orlando, Florida and is scheduled for June 28-July 2. The summer meeting provides critical professional development while serving as an important team-building and significant networking opportunity for attendees. Association fall activity administrators will also attend activity specific rules interpreter meetings. The Executive Board supports continued participation in this professional development, networking and team-building opportunity.

BOARD OF DIRECTORS MEETING

Following a preview of the agenda for the KSHSAA Board of Directors April 30 meeting, the Executive Board approved a draft of the finalized agenda for the meeting. The Board of Directors meeting will be held in virtual format on applicable platform and will begin at **4:00 p.m.** on April 30, 2021.

The next regularly scheduled meeting will be held as follows:

Thursday, April 29, 2021

10:00 a.m. – 5 p.m.
