SPORTSMANSHIP

The Executive Board reviewed data regarding sportsmanship (disqualifications from fall sport activities) and engaged in preliminary discussion on how to improve sportsmanship for students, coaches and spectators. The development of accountability and incentives needed in conjunction with a review of expectations. The potential of regional Sportsmanship Summits was discussed, along with a reminder that schools need to abide by **Rule 52**.

SUMMER COACHING RESTRICTIONS

The Executive Board discussed the current open structure afforded to students and coaches during the summer months in contrast to the cost of time invested by students, families and coaches/sponsors. Concerns relative to student fatigue, difficulty in filling coaching vacancies, and reduced participation in some activities were discussed. Data collection regarding the number of multi-sport athletes and multi-sport coaches was discussed.

STUDENT ELIGIBILITY FOLLOW UP

The Executive Board reconsidered the eligibility of a private school student based upon inclusion of new information regarding his transfer to a new school. The new information was not included in the initial September 20, 2019 eligibility review. Following review of this new evidence, the Executive Board voted to maintain the original determination of ineligibility.

TENNIS

The Executive Board reviewed the recently concluded state tennis tournaments and challenges encountered in finalizing the results. The Board asked the staff to bring back specific language regarding manual changes relative to the modification of specific tie-breaking procedures and the anticipated timeline for adoption.

STATE GOLF

This past fall, the first state championship two-day, 36 hole golf tournaments were conducted for our girls teams. The Executive Board reviewed data relative to outcomes as well as to the qualifying procedures. The Executive Board requested a data template to compare number of qualifiers based upon number of entries in varying regional formats.

MEMBERSHIP REQUEST FOR TOPEKA CAIR PARAVEL LATIN SCHOOL

The Executive Board approved KSHSAA membership for Topeka Cair Paravel Latin School to begin with the 2020-21 school year. Subsequent to membership approval, a request for TCPLS to maintain the football only cooperative agreement with an Approved School was denied.

CLASS 1A VOTE RESULTS AND NEXT STEPS

The final tabulation of the ballots cast for possible split in class 1A for Scholars Bowl, Volleyball, and Basketball was shared with the Executive Board. Based upon 1A member school votes, the motion passed 70-47 and plans for implementation were discussed. With this change in classification, the postseason format and calendar will change. The Executive Board will approve the competition schedule/format at their next meeting. It is premature to believe the schedule/format will return to the exact schedule/format followed when Class 1A previously crowned two division champions in these three activities.

POSTSEASON PROTOCOL

As staff continues to secure locations for state championship events, there has been intermittent discussion regarding format of these events. The Executive Board engaged in an initial discussion regarding state championship format relative to expectations for number of qualifying teams, protocols for seeding, and other efforts to make these events appropriately significant.

POSTSEASON VOLLEYBALL HOST EXPECTATION

The Executive Board approved the recommendation that sub-state volleyball sites with eight or more participating schools utilize a two-court format.

OPEN GYM VIOLATION

Following reports of concerns at a member school regarding open gym violations, the Executive Board received a briefing regarding the extent of the violation and the corresponding KSHSAA sanctions.

MEMBER MIDDLE/JUNIOR HIGH SCHOOLS REQUEST LEAGUE AFFILIATION HEARING

Superintendents, Principals and Athletic Directors for Hutchinson, McPherson, Newton-Chisholm Middle School, Salina-Lakewood and Salina-South Middle Schools, appeared before the Executive Board to request the Association assign each of their schools to a league per **Bylaw ARTICLE XV, League Affiliation**, which reads as follows:

Section 1: Any member school not a member of a league or similar organization may apply to the KSHSAA Executive Board for assistance in acquiring league affiliation.

Section 2: The Board of Directors of the KSHSAA shall develop procedures whereby: (1) the requesting school shall submit sufficient evidence to the Executive Board that it has made a conscientious effort to become affiliated with an existing league; (2) if it appears that the Executive Board may take affirmative action on the request, the requesting school and any league to which the school may be assigned shall have an opportunity to be heard by the Executive Board prior to the time the assignment is made; (3) the Executive Board, after considering all the facts in the matter, may assign the school to an existing league; (4) in the event a school is assigned to a league under the above-mentioned circumstances, no members shall withdraw from that league for a period of three years without unanimous consent of all members of the league including the newly-assigned school, or approval of the Executive Board.

All five schools are members of the Pioneer Middle School League, which lost 21 other member schools at the end of the 2017-18 school year. Information was presented to the Executive Board detailing unsuccessful efforts by the schools to pursue league membership.

It was the decision of the Executive Board to grant a league assignment hearing at the next meeting of the Executive Board. Subsequently, that hearing has been scheduled for **Thursday, January 16, 2020 at 8:30 a.m.** The Executive Board voted to have the members of the **Centennial Middle League, the Patriot League, and the Wichita Suburban League** appear for purposes of this hearing. It was noted, these leagues have similar sized middle schools in their membership and their member schools are in the approximate geographic area of some or all of the schools. Superintendents and principals of all schools in the three identified leagues will receive a communication from Mr. Faflick inviting them to attend and participate in the January hearing.

COOPERATIVE AGREEMENT AND CLASSIFICATION

When two schools form a Cooperative Agreement, the resulting classification is based upon the combined total enrollment of the partner schools. Historically, when this combined data fell between the highest/lowest enrollment numbers of adjacent classification, the cooperative team was bumped up. The Executive Board took no action on this item, which maintains the historic practice of "bumping up" to the higher classification for cooperative agreements whose total enrollment is between two classifications.

GOLF VIOLATION

A member school requested reinstatement following violation of **Rule 21** by a student who accepted, then subsequently returned prize money from a summer golf tournament. The Executive Board approved reinstatement for the student pending verification all prize money was returned and accepted the school recommendation for a reduced competition schedule for the student.

DANCE SHOWCASE PROPOSAL TABLED

Representatives of the Kansas State Dance Team Coaches Association presented information regarding a Game Day Dance Showcase for member schools. The board voted to table a final decision until the January meeting at which time they will learn specifics of the competition format from staff and Varsity Spirit representatives.

ADVISORY COMMITTEE RECOMMENDATION ON E-CIGARETTES

Based upon input from the KSHSAA Sports Medicine Advisory Committee, the Executive Board approved that all activity manual language be updated to include the term e-cigarettes in areas that reference other prohibited substances/student actions. This language will also be updated in the Handbook for the Board of Directors consideration at their April 2020 meeting as a modification to **Rule 14-1-3**.

TRACK & FIELD INCLUSION PROPOSAL PASSES

The Executive Board approved the recommendation that the KSHSAA add four exhibition events (two for boys, two for girls) to the state championship track and field meet. The recommended events are the Girls 400m and the Boys 400m, to be contested during the Friday afternoon break as a final against time; and the Girls 100m and the Boys 100m as a final against time on Saturday during the scheduled 100m. These events would be for wheelchair athletes who would qualify by time (top 16 in each event) based upon a time achieved in a 2020 regular season track meet.

NEXT MEETING

The next regularly scheduled meeting of the Executive Board will be held on:

Wednesday, January 15, 2020
10 a.m. – 5 p.m.

Thursday, January 16, 2020
8:30 a.m. – 3 p.m.
