Eric Otting, CPA, represented the accounting firm by providing a review of the audit and the Board voted unanimously to approve the audit report. The report will be printed in the October 2019 issue of the *KSHSAA Activities Journal*.

### FOOTBALL CLASSIFICATION DISCUSSION

Superintendent John Whetzal, USD 223 Barnes-Hanover-Linn, presented information regarding local efforts and current challenges to form a cooperative agreement for Linn High School. Discussion focused on classification and count process for smaller schools and explored possible solutions for future evaluation and consideration.

### TOPEKA CAIR PARAVEL LATIN SCHOOL REQUEST FOR MEMBERSHIP CONSIDERATION

Representatives of Topeka Cair Paravel Latin School (Head of School Melody Congdon, School Board President Mark Bucholtz, and Activity Director Gary Cleverdon) made a presentation regarding their request for membership in the KSHSAA starting next school year. Following discussion, the board voted to table the decision until November when final action is expected.

### ELIGIBILITY REVIEW

The Executive Board conducted an eligibility review for a transfer student at Blue Valley North High School. Following a review of documentation provided in the exchange between the former school and BVN, and testimony provided by Dr. Tyler Ostroski (BVN Principal), Mickey Masterson (BVN Athletic Director), and Lane Green (Blue Valley School District Director of Administration), the board determined that the hardship application did not meet the standard of the transfer rule as defined in **Handbook Rule 18, Purpose Statement and Hardship 18-1-13**. The Executive Board encouraged pursuit of limited eligibility.

### HALL OF FAME NOMINATIONS

Following an update on the KSHSAA Hall of Fame and the NFHS Hall of Fame, the board was encouraged to nominate worthy candidates for consideration to the KSHSAA Hall of Fame.

### CLASSIFICATION

Following discussion regarding the procedures used for classification, the board discussed issues relative to developing district assignment protocol for Class 1A football. The board approved the use of 7-team districts, pending the number of schools participating at the 1A level.

### SHOULDER TO SHOULDER WEIGH-INS APPROVED

Following discussion, the Executive Board approved immediate implementation of shoulder to shoulder weigh-ins for all high school wrestling competition. Such weigh-ins are to be scheduled to begin one hour prior to the first scheduled match of a dual competition and two hours prior to the start of any high school tournament.

## 6-PLAYER FOOTBALL

Following discussion, the Executive Board approved the interim plan for 6-player football with all 6-player games concluding by the end of SCW 17 (playing week 9) starting with the next assigning cycle. The Executive Board also asked the staff to develop playoff protocol for a possible sanctioned 6-player championship tournament.

## LAWRENCE FREE STATE PERFORMING ARTS HONORED

The Executive Board recognized Lawrence Free State High School, staff and students involved in their performing arts programs as they have been selected as the KSHSAA Performing Arts School of Excellence for 2019.

## UNDUE INFLUENCE DETERMINATION

The Executive Board reviewed materials submitted by a private school regarding the payment of tuition by a non-parent. The Board voted to deny eligibility based upon connection to activity participation.

## KAMS RECEIVES APPROVED STATUS

The Kansas Academy of Math and Science applied for approved status with the KSHSAA. Following discussion, approved status was granted for KAMS and they will be able to compete in regular season Scholars Bowl events.

## ANTI-VAPING POLICIES AND EDUCATIONAL MATERIALS

The Executive Board discussed vaping and the associated student health risk being realized in our schools and community. The board will consider appropriate next steps following input from SMAC relative to current handbook and manual language which may be refined to include a prohibition of any device designed to deliver nicotine.

## FALL REGIONAL MEETING DATES & LOCATIONS

The Executive Board reviewed the schedule and procedures for the October Regional Meetings. The agenda topics were discussed, approved, and will be distributed to all member school principals and posted on the KSHSAA website under *New Topics*, during the first week of October. Registration for each meeting listed begins at 12:30 p.m. and the meetings begin at 1:15 p.m.

Monday, October 21, 2019  
Topeka, KSHSAA Office

Tuesday, October 22, 2019  
Salina-Smoky Hill Education Service Center

Wednesday, October 23, 2019  
Oakley High School

Thursday, October 24, 2019  
Garden City High School

Monday, October 28, 2019  
Blue Valley USD 229 – Hilltop Facility

Tuesday, October 29, 2019  
Maize High School

Wednesday, October 30, 2019  
Fort Scott High School

The following agenda items will be discussed and voted upon by participating school leaders:

1. Should the KSHSAA change the baseball and softball playoff formats from currently putting the state into 4 – 16-team seeded quadrants and instead seed into 2 – 8-team sub-states (Classes 3A, 2-1A)?
2. Should the KSHSAA continue to “pair” state baseball and softball to geographically proximate locations?
3. Should the KSHSAA establish a football playoff format that would seed the remaining 32 teams after district play into 2 – 16-team brackets (East-West) (Classes 3A, 2A, 8-Player)?
4. Should the KSHSAA use the annual classifications released in late September for the two tennis seasons in the next calendar year? For example, the 2019 classifications released in late September would be used for both 2020 tennis seasons (boys and girls).
5. Should the KSHSAA increase four of the current six 3 p.m. start times to 1 p.m. during the school week for regular season tennis tournaments? (Golf is allowed two all day meets and four meets with a 1 p.m. start during the school week in the regular season. Tennis is asking for the same. At this time tennis is allowed six 3 p.m. starts and two all day meets. Many larger, 16+ team tennis events are already scheduled for Saturdays so no class time is missed for these tournaments. The Saturday event will continue to be scheduled for tennis. Golf does not often use Saturdays/Sundays for high school events due to club members wanting the courses.)
6. Should the KSHSAA change the volleyball playoff format from currently putting the state into 4 – 16-team seeded quadrants and instead seed into 2 – 8-team sub-states (Classes 3A, 2A)?
7. Should the KSHSAA change the classification count day to the Wednesday immediately following Labor Day?
8. Should the KSHSAA require assistant coaches to attend an annual rules meeting for their respective activities?
9. Should the KSHSAA require assistant coaches to complete the annual rules test for their respective activities?
10. Should the KSHSAA require head coaches to attend a face-to-face rules meeting at least every other year?
11. Should the KSHSAA develop a mandatory one game exclusion for any player or coach following their ejection from a contest?

The vote tabulations will be provided to the Executive Board at their November meeting at which time they will formulate next steps for each respective item.

## **2019-20 BUDGET APPROVED**

Following a hearing held on Wednesday, September 18, 2019 at 11:30 a.m. in the office of the KSHSAA, the Executive Board unanimously approved the KSHSAA budget for the 2019-20 school year and authorized its publication and distribution to member schools.

Details concerning each of the charts of accounts listed are available upon request. A summary of the approved budget will be included in the October Journal.

*NOTE: Words or phrases which appear underlined in the following sections indicate the changes which were made to existing handbook rules*

## CLASS 1A CLASSIFICATION CHANGES TO BE VOTED ON BY MEMBER SCHOOLS

A proposal was made to modify **Rule 5, Classification of Senior High Schools, Section 2, Article 1** as follows:

## Rule 5 Classification of Senior High Schools

### Section 2: Senior High Regulations

**Art. 1:** All member senior high schools shall be divided into six classes-6A, 5A, 4A, 3A, 2A and 1A. Class 6A shall include the thirty-six (36) high schools with the largest enrollments; Class 5A the next thirty six (36); 4A the next thirty-six (36); 3A the next sixty-four (64); 2A the next sixty-four (64); and Class 1A, the remainder.

**FOOTBALL EXCEPTION:** Classifications, for the purpose of determining district football assignments, shall be based on the total enrollment in the school's ninth, tenth and eleventh grades as submitted to the KSHSAA on the date established by state statute for official enrollment. (Exception: See Note in Article 3 below for football classification procedure for USD #207 and USD #453.)

For the purpose of district football, utilizing this exception, member schools will be classified as follows:

**Class 6A:** 32 largest member schools playing 11-Player football

**Class 5A:** 32 next largest member schools playing 11-Player football

**Class 4A:** 32 next largest member schools playing 11-Player football

**Class 3A:** 48 next largest member schools playing 11-Player football

**Class 2A:** 48 next largest member schools playing 11-Player football

**Class 1A:** All other member schools playing 11-Player football

**8-Player:** Participating schools will be assigned to two separate Divisions, as established by the Executive Board

**NOTE:** For 8-Player district football participation, assignments shall be limited to those schools with a maximum enrollment of 100 students in grades 9, 10 and 11. (See **Rule 35-2-3, Football.**) Schools not requesting a football district assignment will have their position filled in each category by the next school moving up in enrollment.

**Class 1A Exception:** Class 1A schools shall compete in two separate divisions in volleyball, basketball and scholars bowl for postseason and KSHSAA state championship competition.

Following annual classification and determination of schools assigned to Class 1A, the half of the schools with the larger enrollments will be assigned to Division I and the half with smaller enrollments will be assigned to Division II. If Class 1A has an odd number of schools, Division I will be assigned one more school than Division II.

A motion was made by B. Shaffer, second by D. Adams to adopt the proposal for the 2020-21 school year. The vote was 41 in favor, 26 opposed. Per **Bylaw Article XII, Section 4**, the proposal will now be sent to all Class 1A member schools, based on the 2019-20 classification counts, to be voted upon by ballot.

# CLASSIFICATION CHANGES FOR PRIVATE SCHOOLS DENIED

**Art. 2:** Private schools involved in a Cooperative Agreement, under the provisions of Rule 29, with a member Public School shall be allowed to participate in the Public School postseason tournament provided the member Public School is listed as the designee to administer the program. This exception shall not include Quasi-team/Individual athletics.

### Section 2: Senior **Public** High Regulations

**Art. 1:** All member senior high schools shall be divided into six classes-6A, 5A, 4A, 3A, 2A and 1A. Class 6A shall include the thirty-six (36) high schools with the largest enrollments; Class 5A the next thirty six (36); 4A the next thirty-six (36); 3A the next sixty-four (64); 2A the next sixty-four (64); and Class 1A, the remainder.

**FOOTBALL EXCEPTION:** Classifications, for the purpose of determining district football assignments, shall be based on the total enrollment in the school's ninth, tenth and eleventh grades as submitted to the KSHSAA on the date established by state statute for official enrollment. (Exception: See Note in Article 3 below for football classification procedure for USD #207 and USD #453.)

For the purpose of district football, utilizing this exception, member schools will be classified as follows:

**Class 6A:** 32 largest member schools playing 11-Player football

**Class 5A:** 32 next largest member schools playing 11-Player football

**Class 4A:** 32 next largest member schools playing 11-Player football

**8-Player:** Participating schools will be assigned to two separate Divisions, as established by the Executive Board

**NOTE:** For 8-Player district football participation, assignments shall be limited to those schools with a maximum enrollment of 100 students in grades 9, 10 and 11. (See **Rule 35-2-3, Football.**) Schools not requesting a football district assignment will have their position filled in each category by the next school moving up in enrollment.

**Art. 2:** If two or more schools have identical enrollments and

are on the lower end of a Class division, the school(s) having the larger enrollment the previous year(s) shall be assigned to the higher classification.

**Art. 3:** Annual classifications (except football), shall be determined by the total enrollment in the ninth, tenth, eleventh and twelfth grades as of the date established by state statute for official enrollment. Students who are on the school rolls as of that date must be counted.

**NOTE:** K.S.A. 72-5333b does not permit USD #207, Fort Leavenworth school district to offer or operate grades 10 through 12. To accommodate high school participation of 9th grade students attending Patton Junior High in Fort Leavenworth - the annual and football classification count of USD #453 Leavenworth High School shall include the count of 9th grade students attending Fort Leavenworth-Patton Junior High School according to the following formula:

Determine the percentage of Patton Junior High students entering Leavenworth High School as 10th graders during the previous four year period. This number shall determine the percentage of USD #207 9th graders to be included in USD #453's classification count for annual and football classification.

**Art. 4:** Any student, including special education, enrolled in five or more subjects of unit weight, shall be counted as a full-time student for classification purposes. A subject of unit weight shall be defined as per that established by the Kansas State Board of Education. (See Rule 13, Scholarship Requirements.)

## **RULES 15 AND 18 MODIFIED TO EXPAND HIGH SCHOOL ELIGIBILITY WAITING PERIOD TO ONE CALENDAR YEAR BEGINNING IN 2020-21**

A proposal was made to modify **Rule 15, Enrollment, Section 1, Articles 2 & 4** and **Rule 18, Transfer, Sections 1-2**, as follows:

### **Rule 15 Enrollment/Attendance**

#### **Section 1: General Regulations (apply to grades 7-12)**

**Art. 2:** A student who attends one class after enrolling is considered in attendance. Attending a class the opening day of school which is called for the purpose of organization or assignment, counts as attendance. If a student transfers to a new school, enrolls and attends one class, as indicated above, and then goes back to the former school, the student may not become eligible until after eighteen weeks one calendar year, in accordance with the provisions of the Transfer Rule. (*Exception: See Rule 18-1-9, Transfer.*)

**Art. 3:** If a student repeats subjects previously passed and is not enrolled in at least five new subjects (those not previously passed) of unit weight, or its equivalency, then that semester does not count as a semester of attendance under provisions of the Semester Requirements Rule and would not be considered a last semester of attendance, as noted in the Scholarship Requirements Rule. (Such a student is not eligible to represent a school in interschool activities during a repeat semester.) (*See Rule 13-1-3, Scholarship Requirements.*)

**Art. 4:** Students who must attend eighteen weeks one calendar year to become eligible shall not participate until after they have attended classes on Monday (or the first day of school) in the nineteenth week, the first day following one calendar year from the date of transfer.

### **Rule 18 Transfer**

**PURPOSE**—The purpose of the Transfer Rule is to protect students from being displaced by those who change schools for interscholastic activity reasons. It is devised to eliminate “school shopping” after a student has initially chosen the school of his/her choice. This avoids transfers when the motivation is for activity purposes and prohibits recruitment. Students transferring who do not meet the criteria or one of the exceptions listed in Sections 1, 2 or 3, would otherwise be taking the place of a student in interscholastic competition who has met those requirements.

**NOTE:** In addition to the transfer rule, the student must meet all other rules and regulations, such as Age, Scholarship, Bona Fide Student in Good Standing, etc.

#### **A student is eligible transfer-wise if:**

- **BEGINNING SEVENTH GRADER**—A seventh grader, at the beginning of his or her seventh grade year, is eligible **under the Transfer Rule** at any school he or she may choose to attend.
- **BEGINNING NINTH GRADERS IN A THREE-YEAR JUNIOR HIGH SCHOOL**—So that ninth graders of a three-year junior high are treated equally to ninth graders of a four-year senior high school, a student who has successfully completed the eighth grade of a two-year middle/junior high school, may transfer to the ninth grade of a three-year junior high school at the beginning of the school year and be eligible immediately under the Transfer Rule. Such a ninth grader must then, as a tenth grader, attend the feeder senior high school of their school system. Should they attend a different school as a tenth grader, they would be ineligible for eighteen weeks one calendar year.
- **ENTERING HIGH SCHOOL FOR THE FIRST TIME**—A senior high student is eligible under the Transfer Rule at any senior high school he or she may choose to attend when senior high school is entered for the first time at the beginning of the school year.
- **BONAFIDE MOVE**—If a student’s parents, or legal guardian in case neither parent is living, make a bona fide move to a new permanent residence in the vicinity of the new school to which the student transfers, the student is then immediately eligible. If the parents’ move occurs during the school year, see **Sec. 1, Art. 9**, for other timing factors.

- **Guardianship Definition**—The term “guardianship,” while either parent is living, is not recognized for eligibility purposes. Only those appointed by the courts to a full personal and estate guardianship are recognized if both parents are deceased.

- **Vicinity Definition**—The term “vicinity” is when a student continues to reside with his or her parents and commutes daily to and from school.

#### **A student is ineligible if:**

- **CHANGE IN SCHOOL IS MADE WITHOUT AN ACCOMPANYING MOVE ON THE PART OF THE STUDENT’S PARENTS**—If students change schools without an accompanying move on the part of their parents, they will be ineligible for interschool extracurricular activities for eighteen weeks one calendar year, beginning with the first day of their attendance.
- **INDEPENDENT STUDENTS**—A student who is “on his or her own” and not dependent upon parents or a guardian for a home and who transfers from one school to another, is required to attend eighteen weeks one calendar year before becoming eligible.

#### **FOR EXCEPTIONS AND ADDITIONAL INFORMATION REFER TO SECTIONS 1, 2 and 3.**

#### **Section 1: General Regulations (apply to grades 7-12)**

**Art. 1: USE OF FORMS**—In transferring from one middle/junior or senior high school to another, each receiving school shall process and have on record a Certificate of Transfer (*Form T-E, T-E/P, FES, or T-E/H found online at www.kshsaa.org*) on behalf of each student, showing eligibility status, and a record of participation in interschool activities.

**Art. 2:** ~~EIGHTEEN WEEKS ONE CALENDAR YEAR DEFINED~~—Students who must attend ~~eighteen weeks one calendar year~~ to become eligible shall not participate until they have attended classes on ~~Monday (or the first day of school) in the nineteenth week the first day following one calendar year from the date of transfer.~~

**Bylaw Article XIII states, in part:**

~~A partial week of school (which includes at least three days' attendance) caused by holidays, teachers' meetings, or any emergency, may count as one full week of school toward the eighteen weeks attendance requirement. Two or three partial weeks of school with a total accumulation of three days may be counted as one week's attendance.~~

**Art. 3:** STUDENTS DEPENDENT UPON OTHER FAMILIES—The Executive Board may sanction the eligibility of students who move with families upon whom they have been continuously dependent for at least one year and with whom they have made their homes.

**Art. 4:** TRANSFER FROM NON-MEMBER SCHOOL—Students who transfer from a school which is not a member of the KSHSAA or an Association of any state as recognized by the National Federation of State Associations, may be declared eligible by the Executive Board. (*Process Form T-E—Send a copy of it and a letter of request for eligibility to KSHSAA, identifying the non-member school.*)

**Art. 5:** SPECIAL TRANSFERS—Students who transfer from one attendance center to another within the same unified district (USD) when initiated by the school, may be declared eligible without a move on the part of the parents, provided policies on such transfers are clearly defined in board of education policy and provided both principals approve the “special” transfer. (*Process Form T-E—KSHSAA need not be involved unless a disagreement occurs.*)

**Art. 6:** POSSIBLE LIMITED ELIGIBILITY—When a student transfers schools under circumstances which do not meet other terms of the Transfer Rule, he/she may be granted eligibility to participate in interscholastic activities as hereinafter restricted if the student qualifies under the following terms and conditions:

- a. A student whose name was included on a school eligibility roster at any level (varsity, junior varsity, freshman, middle/junior high, etc.) for a given activity during the twelve calendar months preceding the date of such transfer can be eligible only for non-varsity competition in that activity.
- b. A student may have unrestricted eligibility in all other activities in which his/her name has not appeared on a school eligibility roster (at any level). Eligibility can be granted provided the activity eligibility is approved by the principals of both the sending and receiving schools and the KSHSAA Executive Board, and further, provided there is no activity purpose involved in the transfer. Approval must be granted on a special KSHSAA form (*Form T-E/P*).
- c. The student shall be ineligible for all activities for ~~eighteen weeks one calendar year~~ from the date of transfer in the event either or both principals or the Executive Board declines to approve activity eligibility.

**Art. 7:** DISCONTINUED SCHOOLS—Any student transferring from a closed or discontinued school shall be eligible

for interschool activities immediately upon enrollment in another school, provided he or she attends a school in the vicinity of his or her home which is close enough so the student may continue to reside at home. (*Process Form T-E.*)

**Art. 8:** OFFICIAL CHANGE IN DISTRICT BOUNDARIES—Any student who transfers to another school because of a definite official change in school district boundaries shall be eligible upon enrollment, provided transfer is made to the school into which district his or her home has been annexed, and provided enrollment in such school is not later than the opening of the school year following the official change of school boundaries. (*Process Form T-E.*)

**Art. 9:** MOVE OF PARENTS TO NEW SCHOOL AREA—If a student's parents move to the vicinity of a new school and the student elects to remain at the school in which he or she has been enrolled and attending, the student may do so without affecting his or her eligibility at that school.

If the parents move during the school year and the student wishes to transfer to the school in the vicinity of the new permanent residence, he or she may become eligible immediately under the following conditions: (*Process Form T-E.*)

- a. If the student transfers within ten days of the time of his or her parents' move, the student becomes eligible at once as far as the Transfer Rule is concerned.
- b. If the student remains until the close of the current semester or until the close of the school year, he or she may become eligible immediately upon enrolling in the new school and attending classes.
- c. If the student transfers within ten days after the end of an activity season in which he or she competed and which was in progress at the time of the parents' move, the student becomes eligible immediately. An activity season is interpreted as being “in progress” after a school has been represented in at least one interschool event in that activity.

**NOTE:** If a student does not transfer to the new school within the time span as explained above in a, b, or c, the student will remain eligible at the original school but would be ineligible at the new school, unless otherwise approved by the school from which he or she transferred and the Executive Board.

**Art. 10:** TRANSFERRING BACK TO HOME SCHOOL—If a student has lived and attended school away from home, he or she shall be eligible for interschool activities upon returning home and attending the home school (the school the student previously attended, if there has been no change in family residence), provided the student meets all other general eligibility requirements. (*Process Form T-E.*)

**NOTE:** Questionable cases must be submitted to the Executive Board.

**Art. 11:** PARENTS MOVE TO CREATE ELIGIBILITY—A student who transfers from one school to another before or without regard to a move by his or her parents, does not become eligible if the parents move later for the purpose of making the student eligible. If the move was contemplated and the change in schools made for some justifiable reason (home under construction, but not finished; impending job transfer; etc.), such as starting a new semester, a student

may be declared eligible as soon as the new family home has been established. (*Process Form T-E.*)

#### **Art. 12: FOREIGN STUDENTS—**

- a. A student from a foreign country who attends a member school as the result of participation in a foreign exchange academic program which has been approved by the Executive Board and which student meets all other eligibility requirements shall not be considered a transfer student during his or her first academic year of attendance. Such a student is eligible for participation during the first year of academic attendance if Form FES (found online at *www.kshsaa.org*) is completed, filed with the Executive Director and approved before participation.
- b. Should a student from a foreign country attend a member school, but not as the result of participation in a foreign exchange academic program approved by the Executive Board, or attend a second academic year, regardless of the length of attendance in the first academic year, that student shall, for purposes of this rule, be treated as all other students who change schools. If there is not an accompanying move on the part of the students' parents, the student will be ineligible for interschool extracurricular activities for ~~eighteen weeks one calendar year~~, beginning with the first day of his or her attendance.

**Art. 13: HARDSHIP—**This rule applies only to transfer students who, because of unforeseen, unavoidable, or unusual circumstances, including but not limited to, broken home conditions, death of parents or guardian and abandonment, find it necessary to change schools.

In accordance with K.S.A. 72-60c01, the KSHSAA recognizes hardship transfer status for children of active duty military personnel who qualify per the requirements of the "Interstate Compact on Educational Opportunity for Military Children."

The situation may be referred to the Executive Board for evaluation by completing Form T-E/H from the Entry Forms (online).

The Executive Board may declare the student eligible, provided the change was necessary and there was no undue influence.

If the Executive Board declares the student eligible under the foregoing circumstances, he or she shall be eligible upon notification.

**Art. 14: BOARDING SCHOOLS—**A boarding school which has a significant number of foreign students enrolled may play soccer in the fall and/or spring seasons without the ~~eighteen weeks one calendar year~~ waiting period being enforced for these foreign students. Such a team may not compete in a KSHSAA postseason tournament.

#### **Section 2: Senior High Regulations**

**Art. 1: ENTERING HIGH SCHOOL FOR THE FIRST TIME**  
—A senior high student is eligible at any senior high school he or she may choose to attend when senior high is entered for the first time at the beginning of the school year.

**Art. 2: CHANGING SCHOOLS AFTER INITIAL YEAR—**After a student is eligible in his or her initial year of senior high school, he or she may not change schools without forfeiting

~~eighteen weeks one calendar year~~ of eligibility, unless there is a bona fide move on the part of the student's parents to a permanent residence in the vicinity of the new school to which the student transfers.

**Art. 3: NON-FOUR-YEAR HIGH SCHOOL—**Students who complete the course of a high school that does not offer a full four-year course may transfer to a secondary school in the vicinity of their home, where they may continue their education and become eligible immediately.

#### **Section 3: Middle/Junior High School Regulations**

**Art. 2: CHANGING SCHOOLS AFTER INITIAL YEAR—**After a student is eligible as a seventh grader, or in his or her initial year of middle/junior high school, he or she may not change middle/junior high schools without forfeiting ~~eighteen weeks one calendar year~~ (**NOTE: SEE AMENDMENT BELOW**) of eligibility, unless there is a bona fide move on the part of the student's parents to a permanent residence in the vicinity of the new school to which the student transfers.

Motion for adoption of the proposal as written was made by P. Lane, second by D. Thon. An amendment was made by J. Hines, second by S. Boden, to leave the Middle/Junior High regulation in **Rule 18, Section 3, Article 2** as currently written at 18 weeks. The amendment was approved by a vote of 53 in favor, 13 opposed.
