Annually, at the KAY Regional Conferences, the KAY clubs identify student leaders and sponsors to represent their geographical area of the state in various KAY events.

Area Presidents serve a 1-year term with duties including: attending a training session with the State Director; sending 3 newsletters to their area clubs; attending KAY Leadership Camp the last week of July, assisting with their fall Regional Conference and giving a farewell speech to attending delegates.

Area Sponsors serve a 2-year term (odd numbered areas selected at odd-numbered years, even numbered areas at even numbered years). Their duties include attending an annual meeting with the state director (usually on Monday of KAY Citizenship Week), assisting with the every-other year Sponsors Session, assisting with the sponsors meeting at the RC and occasional zoom meetings with the state director.

Congratulations to these 12 KAY leaders. The KAY program is fortunate to have these enthusiastic, passionate, creative, and dedicated individuals serve our KAY clubs.
